## ASSHOLE OF THE MONTH

The measure of a man is not always reflected accurately in his stature as a source of stupid shit. A small, insignificant speck of a person, for instance, can take an overdose of mental laxative, merge his cerebral output with his rectal functions and be magnified beyond all proportion. Such is the caliber of Dr. Brian Sando, a meager blackhead on the great ass of humanity, but **HUSTLER** Magazine's Asshole of the Month for June 1992 nonetheless.

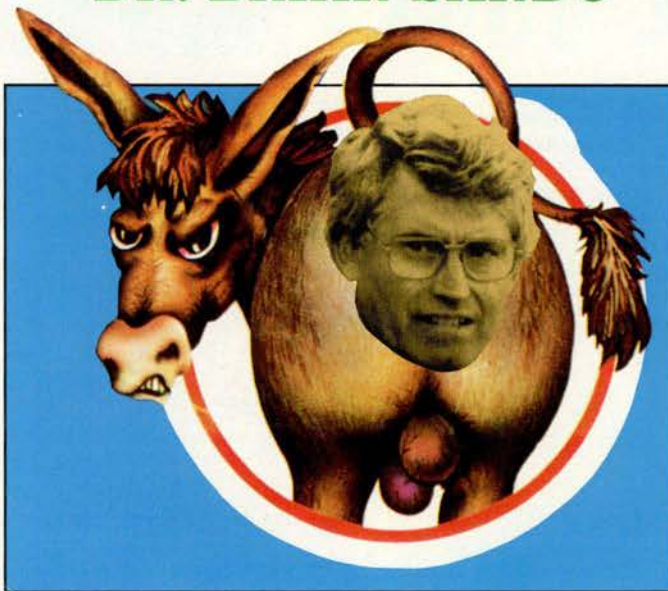

Dr. Sando achieved his butt-wind infamy as senior medical director of the Australian Olympic Federation's basketball program.

Australia has been plagued by disadvantage from its inception. Originally conceived as an open-range penal colony to house the moral and cranial defectives of a declining British Empire, which was desperate for a remote continent upon which to dump its overflowing prisons, insane asylums and syphilis wards, Oz Land has struggled to be recognized as a legitimate nation of sentient beings. After obscure decades being snubbed by the enlightened world, the Australians, largely due to high-profile cultural ambassadors such as AC/DC, Olivia Newton-John, Paul Hogan and Deidre Holland, were finally accorded full citizenship in the 20th century.

Alas, the motion of progress has been reversed by Dr. Brian Sando, a man responsible for singlehandedly smearing Australia's international image with the twin stains of ignorance and arrogance.

Dr. Sando took his great step

### DR. BRIAN SANDO

backward with a foot in his mouth, recommending that his country boycott the United States Olympic team if HIV-positive basketball-great Magic Johnson plays in the Summer Games. Sando claims that Johnson represents a realistic threat of passing on the infection to opposing players. "I would certainly recommend that our basketballers not compete with a team of which Magic Johnson was a member," Sando pontificated. "That risk—even though it's small—you cannot absolutely say it's never going to occur."

What Dr. Sando says bears some truth. However, the notion of Magic passing off the AIDS virus to another player on the basketball court is incredibly remote, only slightly

more likely than the Aussie team's chances of reaching the finals.

Sando's stupidity and fear, to judge by the reaction of some Australian team members, are much more contagious than Magic's virus. "I would have thought that in any contact sport, anybody HIV positive would basically not play," theorized one Down Under player who must also think that a slam dunk is what will happen to his fudge hole against the U.S. hoopsters. "It's common sense."

Common sense, as team medic Sando might point out to his boys, would be to simply keep Magic's dick out of their mouths, if they should find themselves so lucky as to get close enough to touch him.

On February 9, 1992, the National Basketball Association held its annual All-Star game in Orlando, Florida. Two dozen of the best basketball players in the world, if not the two dozen best basketball players in the world, got on the court to compete with and against the man whom little Dr. Brian Sando would label a pariah.

Magic Johnson, HIV and all, played 29 dazzling minutes, led his team to a 153-to-115 victory and scored 25 points, including three consecutive three-point goals to close out the contest. For his efforts, Magic was awarded the game's Most Valuable Player award. He had nine assists, but did not pass off any diseases.

Magic Johnson wanted fans to know that people with the HIV virus can "be productive and run and jump and do things." This message may not save the universe, but it is certainly something the world can benefit from knowing.

Magic is in a unique position among the millions who have or will contract the AIDS virus. He is loved and admired all around the globe. He has an opportunity to bring an awareness of dignity, compassion and understanding to victims of a modern plague who are too often met with superstition and panic that belong in the Dark Ages, or in the offices of Dr. Brian Sando. Sports fans of the world have a right to see living proof that anyone they love has a chance to "run and jump and do things," HIV or no. We need to know this more than we need to know that Sando is an Asshole.

**Cardinal Roger Mahony:** We remember Mahony for urging Catholics of his Los Angeles diocese to picket stores that sell magazines such as **HUSTLER**. The cardinal has gone national by proposing a code for Hollywood movies that would ban, along with almost everything else of interest, suggestive dancing or lustful kissing. The cardinal's halo is brown, wrinkled and stinky, and he's sitting on it.

**Gennifer Flowers:** Under ordinary circum-

### FARTS IN THE WIND

stances, a hussy is a perfectly honorable thing to be, but Ms. Flowers has turned loose virtue into a conniving, scheming disgrace. Her exaggerations of her past credentials and her misrepresentation of her present motives conspire to give sluts a bad name. Not only is she two-faced, she's two-orificed—a cunt and an Asshole.

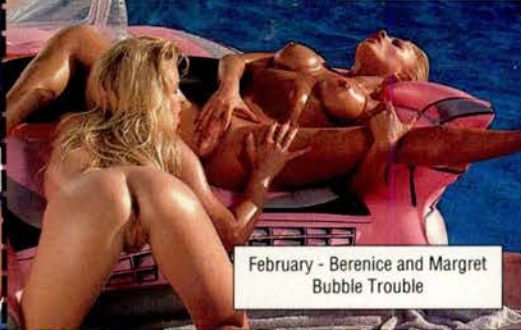

**Kiichi Miyazawa:** The Japanese prime minis-

ter has further alienated one of his country's largest markets by asserting that Americans have lost their work ethic and no longer live by the sweat of their brow. Americans, according to Miyazawa, are addicted to the quick buck. Miyazawa, who was forced to resign as finance minister over a bribery scandal, fails to point out that his own political career has been surrounded by graft and payoffs and that Assholes are just as likely to be almond-shape as round.

# SPOT the ANTI- CHRIST

Can you spot the Antichrist in this photo? Hint: This person lied about raising taxes and continues to disregard a nation plunging toward economic depression and racial civil war. If reelected to a certain office, this Antichrist would coast through the final term much like its predecessor did. Good luck, and spot the Antichrist.

"You haven't called me since last night. Why haven't you called? Are you too busy to call? I had a corn removed yesterday, and even though I can barely walk to the phone, I still manage to call you. Wait, maybe you couldn't call because you had a date. Was that it, princess, did you finally meet a nice man at your work? That'd be the only good thing that could come from a job like that."

Vernon Lamarr Clark was without food or shelter. That was until he admittedly robbed a bank in San Diego solely to get arrested. Today Clark basks in the free food and friendly accommodations of one of our nation's fine penal establishments. HUSTLER salutes Clark's upwardly mobile thinking by making incarceration easy for others with our Get in Jail Free card. Simply cut and fill out the coupon below. # Gore Bags Hold More Gore

Jeffrey Dahmer used to have trouble keeping a good man bound. Then he purchased Gore Trash Bags. Strong enough to keep even the sharpest discarded body parts concealed, until you can get safely to the can. It didn't matter to Milwaukee police, but wouldn't you rather have that piece of mind? Hidden, that is.

Chris is an agoraphobic. He has a permanent delusional fear of leaving his home. But Chris still has the same urges as any healthy man. And now he's found a way to get it: The Agoraphobic's Sex Mask. Chris demonstrates how the mask lets his otherwise limp imagination fulfill his deepest fantasies.

Oh, no!  
Typical of this sort of nightmare, Chris falls helplessly into the abyss. Not even his sex mask can bring him home now. Aaaaaahhhhh!

## DO YOU KNOW ME?

In the early '80s your government portrayed me as a violent, neo-Nazi, Colombian drug smuggler. The DEA spent nearly a decade hunting me down, while my Medellin cartel smuggled nearly 60 tons of cocaine into your United States. Now I'm the U.S. government's star witness in the Noriega trial. But people still don't know who I am. That's why I carry this...the American Excess card. It's better than a "Get Out of Jail Free" card, and a lot easier to chop coke with! ### FUNNY SMELL

I recently came across one of HUSTLER's old issues—the one in which *Bits & Pieces* parodied Saddam Hussein and how he could have beat the U.S. by unleashing his so-called ugly women and the so-called offensive body odors of his people (“How Saddam Hussein Could Beat the U.S.,” *Bits & Pieces*, December '90). You people just don't realize how many ugly white women there are in the U.S. They are so goddamn ugly, I wish they would wear veils. Just looking at them makes me want to get sick.

Body odor? *Ha-ha-ha-ha!* Well, my little-dicked, white, American friends, don't you know deodorant sticks were invented for your people? I hang out with white people because I feel sorry for them. Without me, they would never get any pussy. Remember, before the Europeans came to Persia (now Iran), the Middle East, Africa and Asia, they had no culture, no sciences, no medicine, no mathematics, nothing.

The only thrills you people can get is looking at pictures of your own nude women and jerking off, because who wants to suck on a little, white dick? Not even your own women. Well, have fun jacking off. I have to go fuck the brains out of my beautiful, white girlfriend with my huge, colored, Persian dick. I love you whities. You're all fucking honkie nerds. Get a tan.

—S. S.  
Calgary, Canada

### GOOD SMELL

I love HUSTLER Magazine. I'm a young, white male who's fascinated with black women. I'd like to see more of them in your layouts. Let's see black women with black women, black women with white women, black women with white men, black women

with black men and also black men with white women. I'd also like to see them bare-foot. I love feet. I love to look at beautiful arches and cute toes. One more thing: You should have a scratch 'n' sniff issue. Put a scratch 'n' sniff spot on a black lady's feet. I just wanna sniff those tootsies. —C. M.  
Kalamazoo, Michigan

### CHOKIN' ON MADONNA

I couldn't help but say something about the asshole called C. F. who complained that your cover blurb advertising “Madonna—Any Way You Want Her” resulted in a cheap joke instead of a legit layout like *Playboy* and *Penthouse* once printed (“Sucker!” *Feedback*, March '92). He's out there sideways for chopping on the best mag a person can fuck. Besides, Madonna is a real trash-can slut! And that's where *Playboy* and *Penthouse* mags belong—in the trash! —The “Wheel”  
Angola, Louisiana

Candice: Chocolate Covered

### PLAIN LAZY

The other day a friend of mine gave me a copy of HUSTLER Magazine's October 1991 issue. I don't buy HUSTLER and thus was not aware of how different it is from *Playboy* or *Penthouse*. I was not very impressed one way or the other until I read a story in your *Hot Letters* section entitled “Plane Crazy” (“Plane Crazy,” *Hot Letters*, October '91). I then became very offended.

The article was sent in by a so-called international businessman who got held over for a day in Paris because TWA had overbooked his flight. Thinking himself eternally slighted by life, he propositioned a local French prostitute with revenge in mind. Taking her back to her room, he practically raped her, spit in her mouth, urinated on her face and finally defecated on her. He then wiped himself on her clothing and left.

Tell me, HUSTLER, from what prison did this disgusting human maggot escape? Is this the best that your magazine can come up with for an erotic story? The next time I have a bad day, what do you say I grab some helpless woman, beat the shit out of her, rape her, then write down all the gory details for your *Hot Letters* section? Sound cool? The fact that a magazine such as yours would consider what this asshole did to that woman was erotic is absolutely nauseating.

I've always been firmly opposed to censorship, am an avid believer in the First Amendment and am in support of

groups such as ACT (Against Censorship Together). However, "Plane Crazy" was so disturbing that for the first time I really began to question these beliefs. Were I in a position of political power, I'd be tempted to reverse my opinions. In such a case, HUSTLER Magazine would be number one on my hit list.

P.S. If you have the guts to print this letter, don't edit, cut or otherwise change the context of what I've said. —M. B.

San Diego, California

*"Plane Crazy" illustrated a world of abuse, a cycle in which there was no determining victim or oppressor. The airline screwed its clientele, the prostitute was out to fuck over the businessman, and the businessman did what came naturally. The violent fantasy of raping an innocent woman is yours, M. B.—not an explicit, or even inherent, element of its narrative.*

### MARRIED MUFFSTERS

My husband and I have enjoyed HUSTLER Magazine for many years. Your throbbing-cock mag has taken our sexual encounters to extreme heights of ecstasy, of which we are not embarrassed, but too shy to share with you on paper.

HUSTLER has inspired us so much, we have often considered writing, but until now never have. In wanting to make ourselves a small part of the best fuck mag we've ever read, we decided to come out of the woodwork with a question.

We often take the opportunity to pick up past issues of the hottest and raunchiest porn mag on the market. We recently purchased the February 1990 issue. Inside was an article we wished we hadn't missed the outcome of: the Million-Dollar Muff offer ("Million Dollar Muffs," *Bits & Pieces*, February '90). Did any of the 12 cunts respond negatively or positively and flash their gash for your hard and wet readers? We are dying to know if she (or he: *Prince! Ha-ha!*) bared his or her cunt.

P.S. Well, guys, I must say I cannot pick up a HUSTLER without jerking off or fucking something. Congratulations on a job well done. From the husband of this tight, little cunt who wrote the letter.

—K. T. S. R.

Evansville, Indiana

*Not even Prince had the balls to take us up on a million. None of 'em can come crawling for the big bucks anymore. HUSTLER's Million-Dollar Muff offer for 1992 was reduced by the state of the national economy to a measly \$43.50 ("\$43.50 Muffs!" *Bits & Pieces*, March '92).*

### MENTAL PICTURE

Hi, HUSTLER. Do you know of any clubs or organizations that feature male members with 12" penises or longer? If so, how may I join? Also, do you know of an exercise that a man can do to help perform oral sex on his own sex organ?

—L. C.

Griffin, Georgia

### REVERSAL OF FORTUNE

I found your editorial in the February 1992 issue on Mr. Alan M. Dershowitz insulting and anti-Jewish ("Asshole of the Month," *Bits & Pieces*, February '92). The type of neo-Nazi innuendos that you use are not unique. This kind of racist garbage appeals only to the lowest common denominator.

I don't think I will be buying HUSTLER in the near future. Also, it would be a great surprise if you had the decency or balls to print this letter.

—M. S.

Los Angeles, California

*Attention, all disgruntled readers: Feed-back regularly prints points of view objecting to HUSTLER's editorial matter. There's no need to dare us to print such letters, or invoke a manly reaction by doubting our testicular strength.*

### STEAMED BEAVER

My husband reads HUSTLER. I don't know why (and no, you jack pieces of shit, I'm not ugly). I sent photos to *Beaver Hunt*, and I got a call from someone at HUSTLER who handles the photos. I expected my husband to flip his wig when he saw my picture, but nothing happened. I tried again, but this time with a friend of mine who, by the way, is a model. Still, nothing. Some of the ugly Okie bitches that you put in *Beaver Hunt* would make anyone's stomach turn. Get your shit correct and dump the trash-bag dogs.

—Hot Bod

Corona, California

*Have patience, Hot Bod! Each and every Beaver Hunt applicant is verified by a HUSTLER representative directly upon receipt of her submission. It's not a guarantee of publication. We're hoping to see you soon.*

### THE SHOE FITS

My father always told me to make a living doing something I enjoy. That's why I work in a women's shoe department. You could cut a woman in half and just give me everything below the waist, and I'd be happy forever.

Michelle was my favorite customer. She was a wealthy woman who came into the shop every week to spend her alimony on the latest designer pumps. Her hair was dark, and the dresses she wore clung to her 30-year-old frame like a second skin. But it was her feet—narrow and pointed—that obsessed me. She always came in ten minutes before closing, to ensure that she'd be the only customer in the shop.

On one occasion I showed Michelle a black patent-leather high-heel model from Spain. I knelt before her. "Try this, madame." She thrust her foot against my crotch, and I removed her worn, crushed-velvet mid-heel. The musty scent of her silk hose slapped my nostrils. Michelle never wore panties, allowing her well-trimmed bush to tease beneath the sheer stockings. Two pussy lips peeked out from the center of the light-gray fabric.

I dug the spiked heel into the base of my pulsing cock, and she crammed her foot into the new shoe. The stinging pressure against my balls forced blood into my cock. She saw me wince and twisted her foot with aggravating pleasure.

She stood and tested the fit while I locked the door, to keep out other customers. Michelle stood before a mirror and lifted her dress, exposing the bottom half of her buttocks. "Do they fit me?" she asked in an affected Beverly Hills accent. "Oui, madame," I retorted, staying on my knees to conceal my bulge.

"They feel a little tight, Jacques. Could you spread them a little?"

"Oui, madame," I said and took the shoes to the back. Like an animal, I licked the leather lining where her foot had been. I unzipped my pants and stuck my dick through the open toe, moving the smooth leather along the length of my shaft. I was so aroused that I didn't even notice when Michelle burst into the stockroom.

"Jacques!" she exclaimed.

I figured I'd just lost my most valued customer, and my dick shriveled accordingly to microscopic size. "Miss, allow me to apologize."

"I've never seen a man with the same passion for footwear as I.... Give me that pump," she demanded.

I handed her the shoe off my dick, and she unbuttoned her red dress from the top down. Her white breasts peeked out from the fabric, nipples bristling to attention in the brisk air. She sat on a foot jockey and slid her hand underneath her silky hose, rubbing forcefully. She slid the sharp, pointed heel slowly down her throat, teasing the tip with her pointed tongue. When she removed her hand from her stockings, a wet stain, in the shape of Florida, covered her crotch.

I wanted to lend her a hand, but she stood instead, flinging her dress to the floor. Wearing only the silk stockings and the slick, black pumps, she strutted around the stockroom, digging her digits into her creamy breasts.

I was about to explode. She lifted one leg like a pissing dog. As she scraped the tip of a heel against my cock, droplets of moisture siphoned from her dark puss.

She put her leg down and thrust her large, round ass in my face. A trace of perspiration and shit fumes mixed with the overbearing smell of leather in the shop. She slowly slid her garters halfway down her cheeks, then crouched and sandwiched her soft, smooth ass cheeks around my cock, leaving a slimy trail of pre-cum along the surface of her moon.

"I want you to fuck my shoe before I buy it," she demanded. I grasped the pump and

rubbed my throbbing shaft furiously into the open toe. She tugged at her large, blood-colored clit, moaning some prima-donna pleasure until, at last, I freed my dammed sperm flow, covering the inside of the black pump with almond-colored semen. She rose and licked the final drops from my shaft before running her thick tongue along the sole of the shoe. Finally, she tilted the shoe over her chest and allowed my musty sex mucus to slither out the open toe, onto her scratched breasts. The semen seemed to soothe the damage that her fingernails had wrought.

With plenty of sperm still clinging to the inside, she slid her foot into the shoe with ease. "Fits much better now," she smiled. She dressed hastily, letting the garment absorb the spilt semen. Wearing the new black spikes, she walked out the front door with this salutation: "Bill me, Jacques." I sat still for several moments, unable to

stick my swollen cock inside my pants. No, ma'am, this purchase was definitely on the house.

### SAFECRACKER

**Three-Quarters Erect.** Directed by Jace Rocker and Britt Morgan; starring Britt Morgan, Jeanna Fine, Angela Summers, Leilani, Joey Silvera, Tom Byron, Sikki Nixx and Vinnie De Marco. Videocassette: Coast to Coast.

This nutty video about a bank run by two sluts and a bimbo (Britt Morgan, Jeanna Fine, Angela Summers) gets off to a refreshing start when Vinnie De Marco fucks Morgan. Thanks mainly to the way he eats her pussy and works her clit while he's fucking her, they actually look like they're having sex, not just assuming mechanical fuck-film positions for the camera. There are five more sex scenes in this orgy of nasty, messy facial/oral/lingual cum-splats, one of which features Medium Dong Silvera cornholing Leilani and Morgan. Not only do *Safecracker's* ladies not dodge the squirting white slime, they stalk it. Morgan positions her face

to catch Silvera's load as it trickles from Leilani's asshole down over her cooze to Morgan's waiting tongue, a climax all too rare nowadays. Directors Jace Rocker and Morgan have been turning out some fairly inventive, daring movies. Keep 'em coming!  
—Chas Beatty

De Marco and Morgan forget the fuck-film positions.

Fine's pussy safe is worth cracking.

Great tits, but a less-than-steamy **Affair**.

**Forces:** Horner gets neighborly with Heart.

Plenty of **Bush**, but they don't get off the ground.

## A LACY AFFAIR 4

**Half Erect.** Directed by Charlie Diamond; starring Tara Hart, Trinity Loren, Raven Richards, Alexis Stone and Paige Nichols. Videocassette: Hollywood Video.

Female rug-munchers and the men who love them will be able to find a few worthy strokes in *A Lacy Affair 4*, an all-girl stroker about lesbians who can't find dates. Raven Richards is the primary gash-gobbler, tickling tender twats with every twist of her terrible tongue. All of these lonely lezzies have great tits—Stone's are so big that she can lick her own nips when nobody else is around to do it for her. Aside from the notable ta-tas, this is a less-than-steamy *Affair*. —Augie Michaels

## D-CUP DATING SERVICE

**One-Quarter Erect.** Directed by the Shootist; starring Viviana, Tracey Adams, Paula Price, Raven Richards, Tom Byron, Joey Silvera, Wayne Summers and Eric Price. Videocassette: Moonlight Entertainment.

These girls need a dating service like they need a hole in the head; what they do need is some good, hard fucking. They don't get it, and they have only themselves to blame. Viviana, despite her awesome body, is simply unresponsive, and Paula Price is limited by her own insistence on designated fucker Eric. Raven Richards offers some hope for horndogs as she lets Wayne Summers bang her hard and at least pretends to enjoy it; however, the cum-shot on the butt is a major disappointment. "D" is for Dull. —A. M.

## BLONDE FORCES

**Half Erect.** Directed by Michael Craig; starring Candace Heart, Savannah, Valhalla, Holly Ryder, Mike Horner, Peter North and Joey Murphy. Videocassette: Coast to Coast.

If apartment complexes were like the one depicted in *Blonde Forces*, the housing industry would collapse. The tenants are in and out of each other's units, both literally and figuratively, with more than just rent being raised. Mike Horner gets neighborly with Candace Heart and Holly Ryder, but considering the lethargic logging he gives them, he won't be invited back. The real sparks in the shorts come as naughty neighbor Savannah gets nailed by Peter North, and when a blindfolded Valhalla gets pounded by the astral projection of cosmic guru Joey Murphy. —Sam Lowry

## BUSH PILOTS 2

**Half Erect.** Directed by Michael Craig; starring Ashlyn Gere, Rayne, Sharon Kane, K. C. Williams, Ona Zee, Mike Horner, Randy West and Rod Ryker. Videocassette: VCA.

This second trip with fuck-friendly fly girl Ashlyn Gere has enough high-flying humping to get a joystick partially airborne. Mile-high mamas Gere and Rayne offer their clients great aerial scenery, but the best sights are on the ground: Gere opening her landing pad for Mike Horner's single prop and later for Randy West's turbo-charged tool, and Sharon Kane revving engines with great cocksucking in the middle of an airfield. Knobs will take a nosedive with Rayne and Rod Ryker's poorly shot slam, a cool coupling between K. C. Williams and West, and a tepid twat threeway that crashes on takeoff. —S. L.

## LUST FOR LOVE

**Half Erect.** Directed by Wes Brown; starring Angela Summers, Tom Byron, Alicyn Sterling, Joey Silvera, T. T. Boy, Devon Shire and Tom Chapman. Videocassette: VCA.

Tom Byron ponders the eternal question: Which is better, sex or love? While there's not a lot of loving to be found, there's plenty of meaningless sex to go around. Byron pops himself in and out of different boffings with a click of his fingers. His deep, dirt-box penetration of a big-butt brunette registers two snaps up. Angela Summers forsakes amour in favor of a double dose of dong from T. T. Boy and Tom Chapman, while Byron and Alicyn Sterling make a convincing case in favor of the ziplless fuck. —S. L.

**Love** means having a ziplless fuck.

# PANIC IN THE TEATS?

**When** the government decreed a 45-day moratorium on breast implants, did it cause a tempest in a D-cup, a panic in Pornville? To find out, we called some of Smutdom's ballistic busts.

**TONISHA MILLS:** I have no regrets about having the implants, and I've had no discomfort and no problems—and I've had three separate operations, going up to larger sizes. As a matter of fact, my boobs are even more sensitive now than what they were before.

**K. C. WILLIAMS:** If the story had broken about the possible dangers of implants before I got them, I seriously doubt that I would have gotten them. But I don't really know. The stories on TV and in the papers haven't caused me to lose any sleep now that I've got them, because I didn't get the kind they're talking about—the nontextured. I got the textured ones. And I didn't go up to an

enormous size, like some of the girls. I just went from a 34B to a 36C. So I'm not too worried about it.

**DOMONIQUE SIMONE:** I just got my second [implants] because I wanted 'em more round and shapely, yum-yum time. No, it didn't increase my feelings there, like I guess it did for some girls. In fact, I'm not even sensitive in my boobs anymore. I lost my sensitivity. The news doesn't bother me or cause me to lose any sleep, because when only three people out of a million people have problems, [the media] make it a big issue. I haven't had any problems with it, and I'm not worried about it. I was a 34B, and now I'm a 34DD. And I got textured, baby!

**TORI WELLES:** I was watching all these damn talk shows, and I was freaking out about it because some of the girls had some, like, nightmare stories. So I started looking for my papers from when I got my tit job, because I wasn't sure what kind of implants they put in me. I had to have them popped [last year] because they got too hard. I went in because my left one was getting a little hard. I mean, I massaged them, and they've always looked pretty natural. And I just couldn't massage this one at all. It was after the baby that it started getting hard. I waited for a few months, and I went in, and they did the popping of the scar tissue. Oh, my God, that hurt worse than getting the boob job.

**CHARISMA:** What I noticed in reading the papers is that most of the cases are from way in the past. That lessened my worry. I got them because after having a baby, I had a little bit of a sag. If I weren't in the business, I would have just gotten them reconstructed. They've caused me discomfort. Because I went bigger than what I really should have, there's more weight. I can't go horseback riding. I can't do aerobics. I can't jog. But, hell, I can still fuck!

## ANAL FEVER

**One-Quarter Erect.** Directed by Jim Enright; starring Holly Ryder, Melanie Moore, Tom Byron, Mike Horner, Randy West and Flame. Videocassette: Zane Entertainment.

Unable to sleep in his fleabag hotel room, constantly awakened by the sounds of sex in the room next door, Mike Horner is trapped in an erotic twilight zone, a sexual nightmare that manifests itself in and out of his bed. Stokers won't suffer the same insomnia as Horner. They'll be asleep by the third fuck. Holly Ryder's monster clit gets a workout from Horner and Tom Byron, but neither scene strikes pay dirt. Melanie Moore getting ass-fucked on a bar looks nice but is a bust, while Flame's fanny-flogging from Byron is notable only for a close-up of butt juice dripping from her battered browneye. *Fever* leaves you cold.

—S. L.

**Fever:** Moore looks good with a dick in her ass.

## YOU BET YOUR ASS

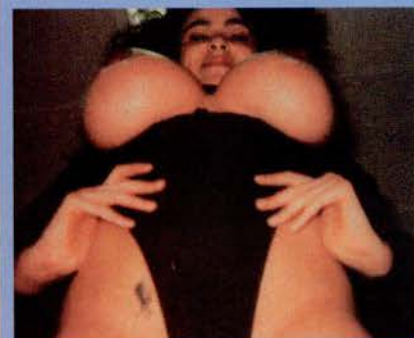

**Half Erect.** Directed by Bruce Seven; starring Bianca, Porsche Lynn, Heather Hart, Tia, Laura Hart, Ed Powers and Roscoe Bowltree. Videocassette: Bruce Seven Productions.

Tia is a perfect girl for a Bruce Seven video of bondage and stressed buns. With big, dangling breasts that drape like some kind of nectar-swollen god-fruit when her arms are bound above her head, and a commodious ass that spills over in a pillow fit for a divinity when a constraining belt is cinched around her lust-mother thighs, Tia's physical attributes are the clay an artistic dominant uses to sculpt a tableau of erotic transcendence. Aside from her raw body material, the girl has an attitude that indicates she's not lying when she claims that being hung from a rafter and ass-whipped is her favorite pastime. So even though Tia is only in one scene, and nobody gets fucked in *You Bet Your Ass*, viewers won't be getting totally screwed.

—Christian Shapiro

Hang her from the rafters and whip her **Ass**.

# GANG-BANG GIRL HOTLINE

You wanted it, here it is—a direct line to Anabolic Productions, the perverts behind *Gang Bang Girl 1*, in which Trixy Tyler takes on cock after cock after cock and eats enough cum to frost a three-layer cake.

**Call (800) 32-NASTY**, or write Tyler a love letter at P.O. Box 12456, Marina Del Rey, CA 90292.

## TWO HEARTS

**One-Quarter Erect.** Directed by Gloria Leonard; starring Racquel Darrian, Kym Wilde, Ona Zee, Randy Spears, Steve Strong and Derrick Lane. Videocassette: Vivid.

Randy Spears has the meaning of life tattooed on his dick, but he's never been able to read the message because he's impotent, a condition that will spread from the screen to the bone watching at home. This supposedly more sensual production sprung from the crotch of sometime director Gloria Leonard. The women are good to look at, and the whole silly thing is over quick. Vivid heralded this as Racquel Darrian's first time working with someone other than Derrick Lane. She briefly sucks Spears's cock and seems to like it, but their doggy-style hump is without a glimpse of penetration and, judging from Spears's expression, is strictly simulation. *Two Hearts* beats as one limp dick.

—Mal O'Ree

**Hearts** beats as one limp dick.

## MANBAIT

**Three-Quarters Erect.** Directed by Gerard Damiano; starring Moana, Buck Adams, Leanna Foxxx, Marc Wallace, Nina Hartley, P. J. Sparxx, Peter North, T. T. Boy and Ed Powers. Videocassette: VCA.

Nastier than a month-old slice of Gorgonzola, Italian twat Moana searches for fame and fortune as a fashion model. She wants to do a high-class magazine spread, but thanks to her cheesy, small-time agent, nicely played by Buck Adams, the only spread she winds up getting is between her cunt lips and up her ass. After a tasty turd-tunneling with Adams, Moana makes the rounds in hopes of getting groomed for stardom. Cunning linguist Leanna Foxxx shows her the correct way to use her tongue in a lively lezzie-lusting. Hair and makeup tips are dispensed by Nina Hartley and Marc Wallace in a threeway that ends with Wallace giving Moana's face a rich skin moisturizer. To keep her body in shape, Moana works out with aerobic instructors Peter North and T. T. Boy and winds up being turned into a meatball sandwich during a spicy DP. Although Moana complains throughout about having to do too much "push-push," it's doubtful yankers doing the pull-pull will have a similar objection.

—S. L.

**Manbait:** Nastier than a month-old slice of Gorgonzola.

## GENIE IN A BIKINI

**Half Erect.** Directed by Jim Enright; starring Madison, Monique Hall, Buck Adams, Tom Byron, Britt Morgan and Marlena Riche. Videocassette: Zane Entertainment Group.

The concept is heartwarming: Pop the top off an old bottle, and out writhes a beautiful woman who'll uncork your cock. Madison is so chipper as the genie that it's easy to believe that she's otherworldly—especially when she's sluicing through Britt Morgan's juicy gash with a big, black strap-on. Earthling Buck Adams manages to spear both Morgan and new box Monique Hall. This second dorking is bewildering. Hall behaves as if Adams is inserting a porcupine, rather than his scum stump, inside her twat. Byron works it out in a nice 69 with his genie, then gets the benefit of Hall's hole and blond trollop Marlene Riche's ripe puss. In fact, viewers may be tempted to use some elbow grease polishing old bottles—if they can let go of their cocks long enough.

—Dewey Huevos

**Genie** will have you polishing old bottles.

## ANAL LEAP

**One-Quarter Erect.** Directed by Jim Enright; starring Alicyn Sterling, Candace Heart, T. T. Boy, Nasty Natasha, Eric Price, Anisa and Buck Adams. Videocassette: *Coast to Coast*.

With every flush of Eric Price's high-tech toilet in this *Quantum Leap* parody, Buck Adams is sent to a new era, gets a new dick and a fresh slut ready to take it. The title suggests a butt-boning bonanza, but the flick's emphasis is on time over tush. Adams shares a sensual fuck with Alicyn Sterling but doesn't boff her browneye. Candace Heart and Natasha simply munch muff. T. T. Boy finally takes the time to butt-fuck Heart, but he didn't bother practicing his lines. While stranded in temporal limbo, Adams shoves his shaft partway into Heart's turd tunnel; the action returns to Boy's bedroom, where he's all the way in Anisa's anus. She seems to have taken cock in her colon for centuries.

—Kent LeLak

Anisa has been doing **Anal** for centuries.

## VOW OF PASSION

**One-Quarter Erect.** Directed by Gloria Leonard; starring Savannah, P. J. Sparxx, Woody Long and Tom Byron. Videocassette: *Vivid*.

Savannah is discontent because hubby Woody Long just uses her as a semen receptacle. When he comes, it's over. He's also fucking other women. Searching for fulfillment, Savannah volunteers at a shelter patronized by such famous bums as Al Goldstein, Bobby Hollander, Ron Jeremy and Henri Pachard—in non-sex and non-speaking roles, thank God. She falls for compassionate co-worker Tom Byron (who's looking pretty unsavory these days). He gives her the tenderness—and orgasms—she's been missing. So she leaves Woody. The lighting is dim, the pace is slow, the sex is standard, the story is tired. The *Passion* is missing and presumed dead.

—C. B.

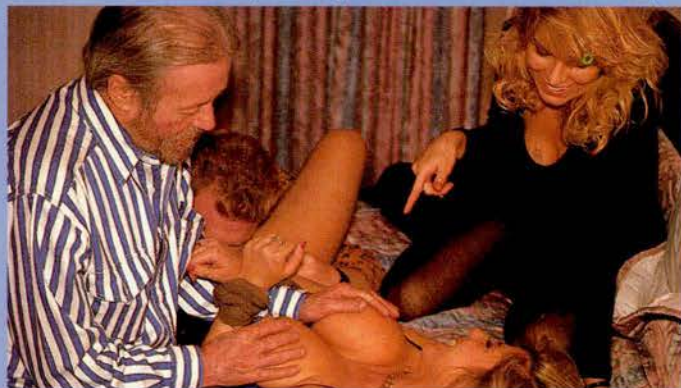

Savannah has the looks, but no **Passion**.

# DESERT PARTY

The **XXX** business was up and roaring at January's Consumer Electronics Show in Las Vegas, with nearly every major manufacturer represented and an unprecedented number of porn queens, in all manner of undress, strutting

among the goggle-eyed civilians who packed the Sahara Hotel for their yearly dose of perversion. Alex Jordan was one of several actresses who raffled their lingerie at Pure Pleasure adult-book store, a two-day showcase of snatch that raised money for

the anticensorship cause. Lucky winners got to remove the lacy underthings with their teeth. The real hotspot was room 1483 at the Sahara, where HUSTLER freelance writer Cheezboy not only hobnobbed with the stars, but with the help of

Bruce Seven and Lynn Lemay got a little taste of Angela Summers. Portions of Cheez's personal Las Vegas diary will be featured in a future issue, providing we get the pages unstuck.

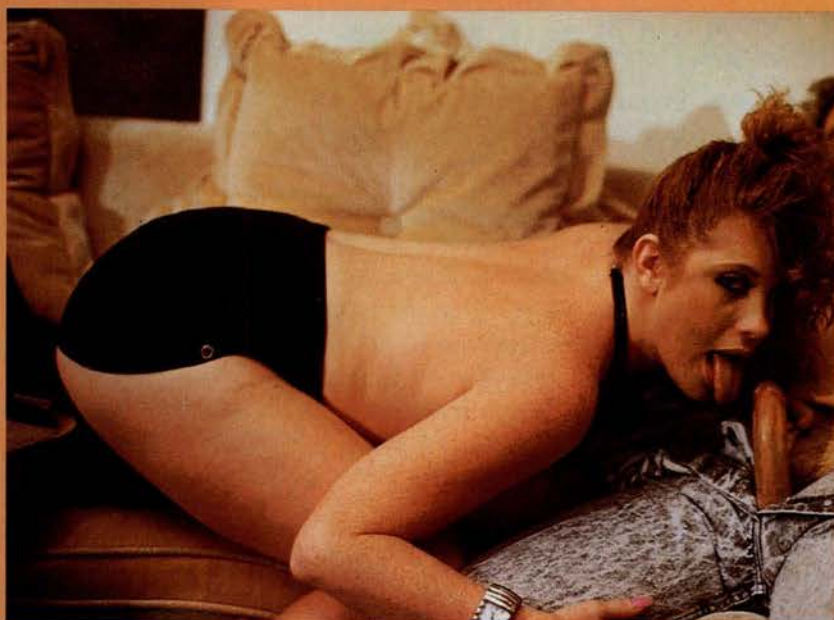

## CHEESECAKE

**One-Quarter Erect.** Directed by Gordon Vandermeer; starring Missy, Trinity Loren, Nikki Wilde, Taylor Wane, Rustie Rhodes, Peter North, Tom Chapman and Johnny. Videocassette: VCA.

With a spilled-jizz face, a sculpted body, a clean-shaved snatch and an energetic sex drive, Missy is prime for pud. But she should never talk. Playing a girl who kicks fiance Tom Chapman out for not signing a prenuptial agreement, her acting is worse than nails across a blackboard. Missy comforts herself with a routine rut with Johnny, while Chapman soothes his wounded pride by tooling the hole of Taylor Wane. A lezzie romp on a kitchen countertop between Missy and bovine Trinity Loren is the only real sizzle. *Cheesecake's* no dessert for joint-jerkers.

—S. L.

Take a bite of *Cheesecake*.

## SEX NURSES

**One-Quarter Erect.** Directed by Michael Carpenter; starring Kelly Blue, Terry Diver, Debi Diamond, Holly Ryder, Peter North, T. T. Boy and Harry Dickinsider. Videocassette: Visual Images.

A frustrated puss, sex therapists with dripping twats, Holly Ryder's gigantic clit, Peter North's pneumatic jizz-pump—sounds like the symptoms of a scalding-hot sex vid. Upon closer inspection, the prognosis is grim. This tape offers about as much warmth and stimulation as a cool gust up the back of a paper hospital gown. Dialogue falls together, and apart, like a bad Kafka nightmare,

the camerawork is erratic, and *disjointed* is an appropriate term for the editing. For a bit of comic relief, Dickinsider plays a cunt-hungry sniveler with Kelly Blue's foot in his mouth. Besides that, only Ryder's thumb-like clitoral appendage and Debi Diamond's enthusiasm for North's meat-whistle are of much interest.

"I'm  
going to  
Jizzney  
World."

## COME ONE, COME ALL!

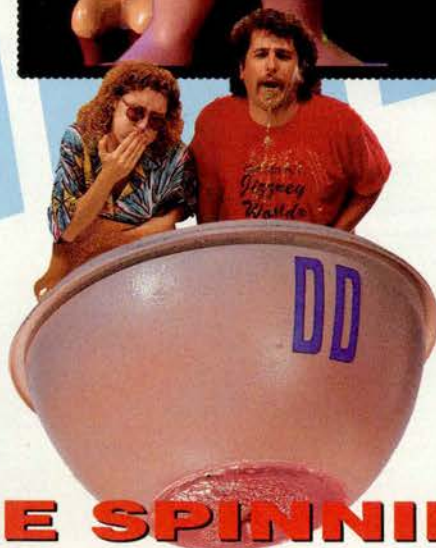

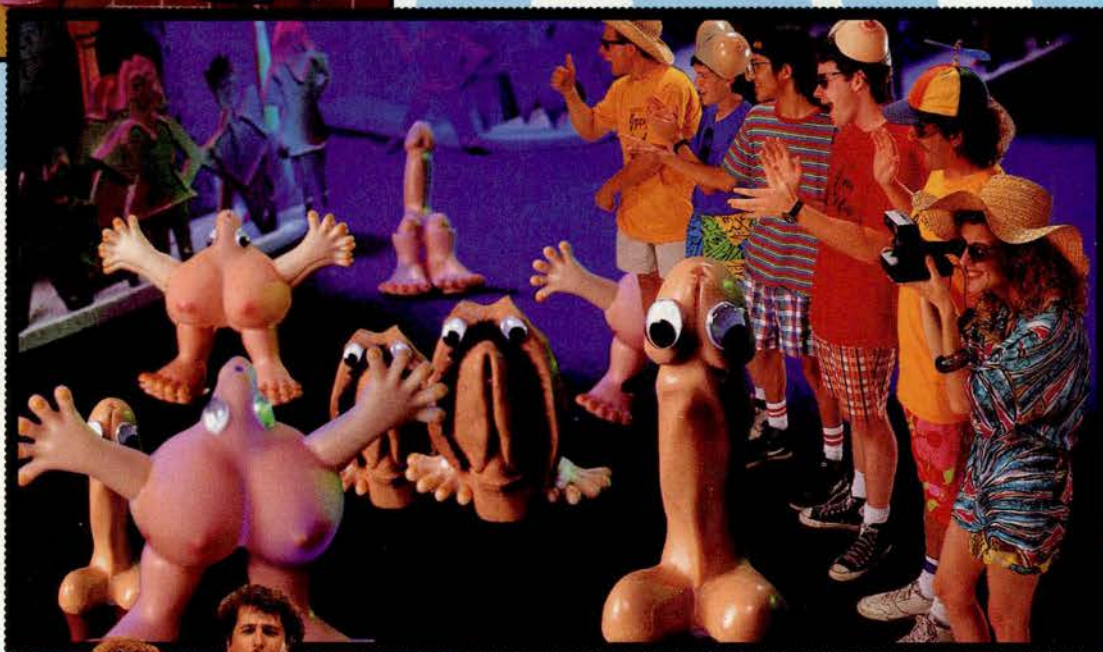

**Welcome to Jizzney World,**  
the horniest place on Earth. Our world-famous stores allow  
you to purchase poorly made, overpriced novelties that'll be  
sure to brighten up the floor of your closet as soon as you  
get home.

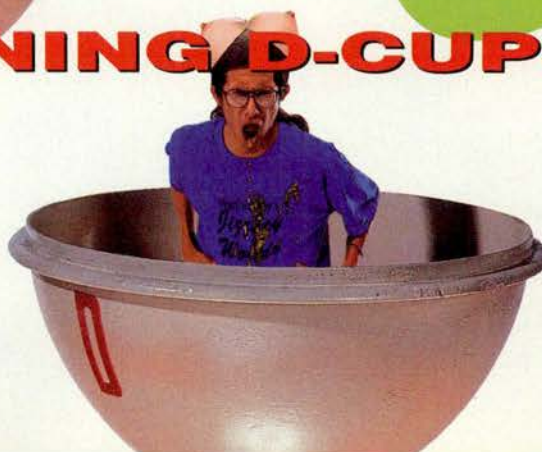

## BONE STREET, USA

Greet our charming  
characters during the Bone  
Street Body-Part Parade.  
Afterward, spend the  
afternoon mending your  
child's warped sexuality.

## THE SPINNING D-CUPS

It's not the spinning that makes our D-  
Cup ride so nauseating, but the  
soundtrack from the Touchstone movie  
*Beaches* that plays in every cup.

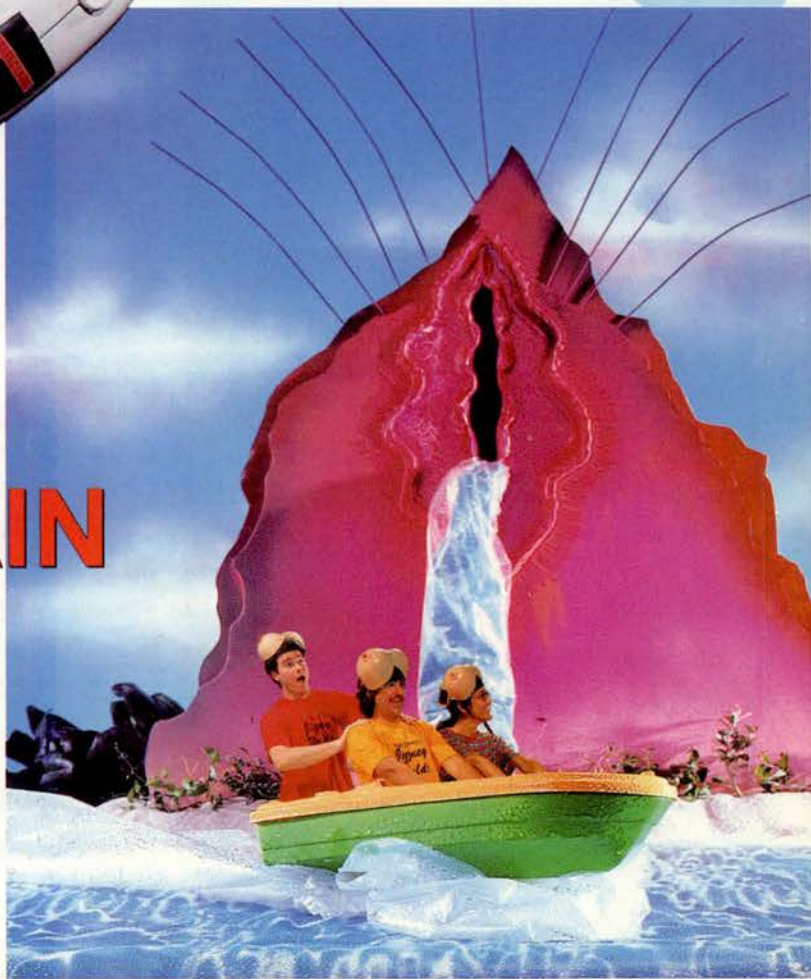

## HEAVY-PETTING ZOO

Take some time out from our white-knuckle rides and relax in the Heavy-Petting Zoo, where beavers and clams are but two of the species never seen on PBS.

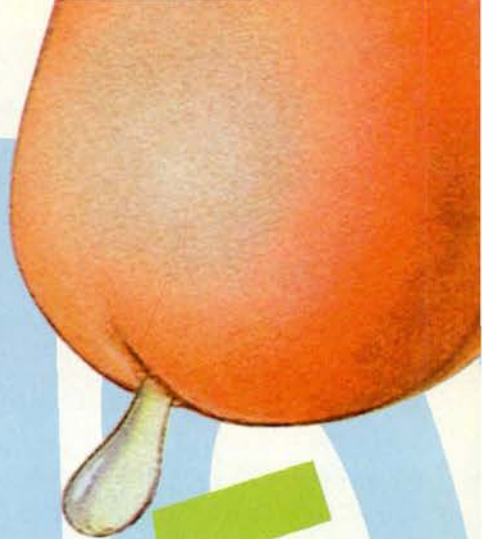

## SNATCH MOUNTAIN

Hold on to your stomach and your nose as you shoot the rapids down Snatch Mountain. Your clothes may get wet, but after the ride's climax, you can walk away from *this* snatch without an argument.

## MR. LOAD'S WILD RIDE

Aboard Mr. Load's Wild Ride, experience the rush of warm semen without needing to wash your sheets afterward.

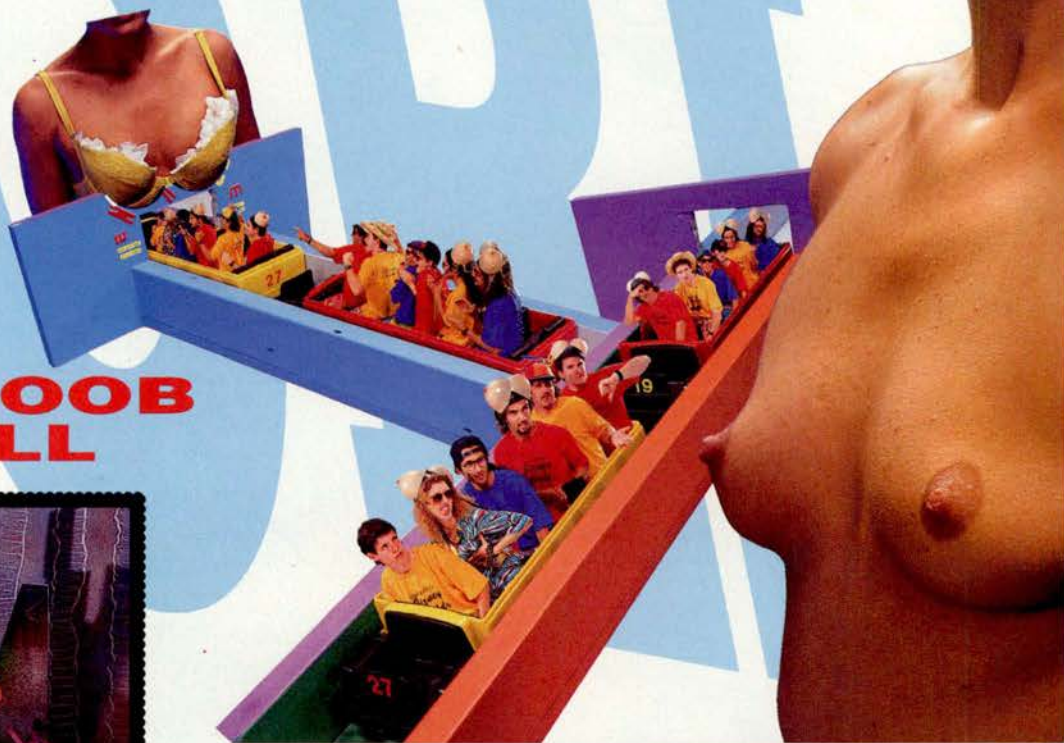

## QUEER LAND

In a darkened corner of the park called Queer Land, closet nances ride rockets into the anal zone and leave their homophobic fears behind.

Sing along with our mammary midgets and enter a world where "It's a Small Boob After All." But beware the evil DOW executives who lurk behind every corner with a faulty silicone implant. And no matter what, try **not** to whistle this irritating melody the rest of the day.

## IT'S A SMALL BOOB AFTER ALL

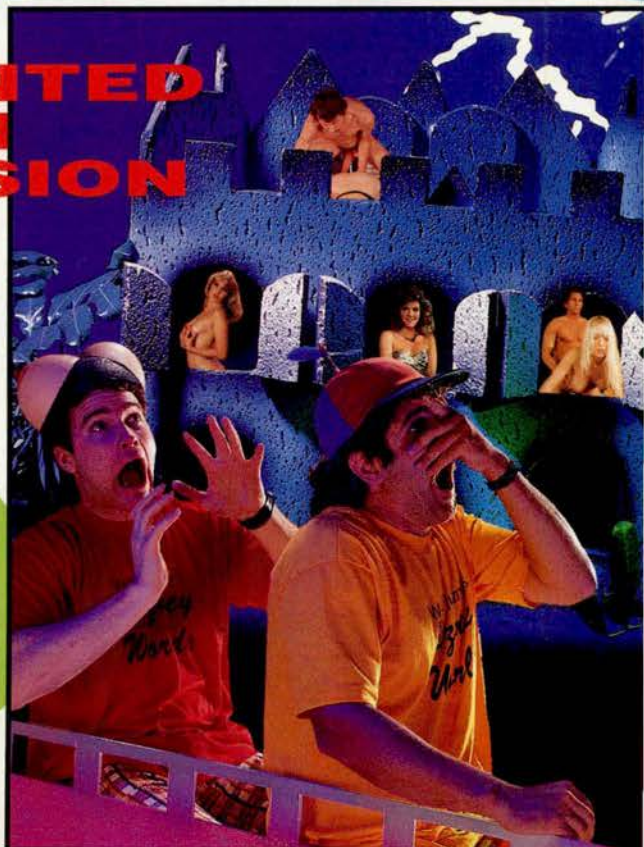

## POOP LAND

Abundance of corndogs, soda and churros got you down? Then move your bowels on over to Poop Land, and leave your mark upon Walt Jizney's Hershee Highway. (1991 Future Farmers of America Award for excellence in theme-park entertainment.)

## HAUNTED PORN MANSION

A ghost moans. An unseen vibrator rattles. And the smell of must lines the darkened hallways of the Haunted Porn Mansion. Enter the netherworld of smutdom and leave asking the sepulchral question: Why is Savannah in here if she isn't dead?

## Incredible Sexual Discovery!

# Chemists perfect amazing Sex Scent that makes 3 out of 4 women give in!

**P**aris. — Using the discovery of two famous and respected Professors, chemists have succeeded in synthesizing the sex hormone that triggers arousal. They have blended it into a perfume, and the results are astonishing. They have been the subject of tests, articles in the newspaper, with surprising revelations.

This unique scent works equally well for attracting women and men. It also works even if you have never had any success, or if a man or woman has already turned you down.

The results are guaranteed 3 times out of 4 (4 contacts = 3 successes). In most instances, a "normal" man only succeeds 1 out of 4 times.

### IT'S TRUE — A SEX SCENT THAT REALLY TURNED ME ON

(as told by Mrs. M. Dumit, reproduced with her permission).

This happened about a month ago. I was having a drink at a sidewalk restaurant when a man came up to me. Not good looking, not ugly, and not my type.

He held out a piece of paper with an address scribbled on it. Suddenly, I was aware of the odor. The next minute, I started to tremble and my mouth went dry.

The man asked me if I knew where the street was that was written on the paper. I looked at him without understanding what he was saying. I only wanted one thing: for him to take me into his arms. The odor penetrated me more and more. It was hot, sensual and comforting.

I tried to react and looked around me. But no one seemed to notice what was happening to me.

The man took me by the hand and drew me to him. I got up like a robot. He said, I couldn't take my eyes off him and he pulled me against him and put his arm around my waist. We went about 100 yards to his car. I got in without hesitating. When his hand caressed my knee and slid up my thigh, I felt a powerful desire knot in my stomach. I grabbed him and sought his mouth.

Fifteen minutes later, we were in his apartment and I gave myself to him in delirious pleasure.

### I BECAME HIS SLAVE

When I got home that evening, I asked myself some questions. Suddenly, I remembered an article that had appeared in a magazine. Some chemists had succeeded in synthesizing the hormone that triggers sexual desire. Apparently, it was unstoppable, and no one could resist it.

I quickly called Frances, a girlfriend who is a biologist. I told her about my adventure.

In her calm, precise voice she confirmed for me what I already knew: I had been the victim of a sex scent which had been perfected by the chemists.

I didn't regret my adventure. But I decided there and then to be more careful in the future.

### OTHER REAL-LIFE EXPERIENCES

The following experiences have been related in the news, or have been the subject of private tests.

— In a dentist's waiting room, some sex scent was sprayed on a chair. During the course of the day, 11 patients out of 13 either sat on that chair or the one next to it.

— A man of average build, with Exit 1 on his shirt collar and under his arms, walked back and forth among the tables in a tea room for three minutes. He then left.

Here are the responses of the customers who were discreetly questioned by a co-worker: 9 women said that the man excited them tremendously. One woman refused to reply, and two said that they had been indifferent to the man.

— On a cattle farm, spraying the females with some sex scent tripled the matings.

— A female hamster was placed among several males. One of them had been sprayed with sex scent. After moving about for a few minutes, the female approached the male who had been sprayed, with obvious signs of excitement.

### 3 OUT OF 4 SUCCESSES OR — IT'S ALL FREE

(while a "normal" man is only successful 1 time in 4)

All our tests, personal tests of friends, and many experiences in the United States, England and France prove this:

The sex scent acts regardless of the person, physique (even unattractive) and even if he is timid with women. It attracts and makes 3 women out

of 4 surrender. Which is incredible because everyone knows that a "normal" man is successful one time out of four (look at your own life or ask your friends).

This is what you have to do. Put some scent behind your ears, on your collar or under your arms. Approach the person you want to seduce and start talking to them, using any pretext... and write to us right away to tell us what happened.

If three people out of four have not said YES, if three out of four have not surrendered to your caresses, then your sex scent will cost you absolutely nothing.

Just write and tell us, and you will receive a full refund check by return mail.

This is a signed, written guarantee that provides you with complete legal protection.

### HOW IT WORKS

Molecular structure of the sex molecule.

It has now been established that an odor contains a message.

This is received by the brain, decoded, then causes anyone to react automatically according to the message contained.

The success of the Exit scent is explained by the fact that it contains very potent sexual molecules (pheromones). They excite the neurons that control sexual behavior.

### IF YOU HAVE NEVER HAD SUCCESS WITH WOMEN AND THINK IT'S IMPOSSIBLE, AT LEAST READ THIS:

I would be willing to bet that you blame your lack of success on two things: 1- You are not very handsome. 2- You are not very rich.

Let me share something with you. Several months ago, a large women's magazine surveyed its readers about Seduction. Here are the results.

Half of those responding said that they themselves don't know why they get "turned on". Only 10% said that they are concerned about physique. As far as money is concerned, they don't even mention it. What they do care about is a tolerant man who is not aggressive. So you can see that only one woman in 10 is concerned about looks, and those who are looking for a millionaire are in fact very rare.

When you read that Exit scent makes three out of four women surrender, it's really true.

Touch a little Exit 1 behind your ear, or on your shirt collar, then smile and walk up to the first pretty girl you see.

And you'll see — it's unbelievable!

# HOT LETTERS

(continued from page 17)

When I pulled out, her hole remained molded to the size of my shaft. Only when I spritzed her anus with sperm did it wink itself down to size.

become a permanent feature of his face. I doubted that he could even get it up, but he had the balls to bet me that he could fuck her first. Since she was on my route, and he was stuck behind his desk all day, I knew I'd have the first chance.

The great thing about those packages is that her signature was required for delivery, and the following week, she opened the door wearing only a dirty, cloth bathrobe. She was an unspectacular-looking blonde, with just enough girl-next-door plainness to make her hot. Her hair was wet, as if she'd been sweating, and when she reached out to grab my pen, one of her heavy, white boobs popped out of the robe. "Goodness, I'm sorry, Reid," she said, straightening out the garment. "Not at all," I smiled. "You know, sometimes these packages are difficult to open. I have a rather sharp knife, if you need it."

She thought for a moment and scratched her thigh, parting the robe almost to her crotch. "Yeah," she said, running her hand along my flexed bicep, "I think I could use you right about now."

She led me inside and, with a flick of her finger, told me to follow. I dropped my mail bag and removed my shirt. She slithered out of her robe, exposing the furriest bush I'd seen since a PBS special on black bears. Her ass was round and a bit flabby as it wiggled up the stairs. I followed closely behind, staring at her brown ass crack that split open with each forward step.

When we arrived at the top of the stairs, she pulled me closer until she could swizzle her tongue along the curve of my lips. "I bet you lick a mean stamp," I murmured.

She turned the door's handle, and as she stepped into the room I heard a grumbled voice say, "So who was at the door?" I nearly shit in my pants when I saw Ralph, spread-eagled on the bed, with hands and feet tied to the posts with baby diapers.

"Holy shit!" I stared.

"Reid!" he said, more embarrassed than upset. "Don't you have a route to finish?"

"Fuck you!" I returned. "Isn't there some freight to weigh down at the station?"

"Now hold on a minute," she giggled. "You both were so interested to get in here, we might as well work together."

She said nothing else and prevented me from complaining with a tongue against my tonsil. Then she moved to Ralph, pulled aside his flabby gut and wedged his tiny cock between her cheek and gums. When his pecker was ready, she spread her ass cheeks apart and slowly

ly squirmed her anus onto the lucky stiff.

I climbed onto the bed and stood in front of her. She grabbed my ass and pulled my cock down her throat. The tip of my prong brushed against the back of her jaw. She reached for one of her past deliveries—a chrome dick-substitute—that lay on the edge of the bed. She rammed the tool inside her snatch.

She leaned back against Ralph's paunch and pulled me down to probe her twat. My balls flapped against her butt cheeks, which slapped against Ralph's beer-guzzling trophy. Finally, I pulled out my cock and stood up, unloading what seemed like a lifetime supply of semen onto her heaving chest, completely obscuring her stretch marks. I heard Ralph gurgling below and moved away in case he was about to unload. I kissed Veronica's mouth until I noticed that underneath her, Ralph had passed out.

She took his pecker out of her ass and listened to his chest. I don't remember exactly what was said, but she somehow communicated that Ralph had fainted. Naked and still as hard as a Bobby Orr slapshot, I called an ambulance and untied

Ralph. I felt bad, but I couldn't help laughing.

After the ambulance had come and taken Ralph to the hospital, Veronica said, "The post office still owes me one cum-shot, and your friend is in no position to deliver."

She pounced on all fours and pulled her robe above her ass cheeks to fondle her crack. "Come in my asshole," she moaned. I unzipped my regulation blue slacks, figuring Ralph would've wanted it that way.

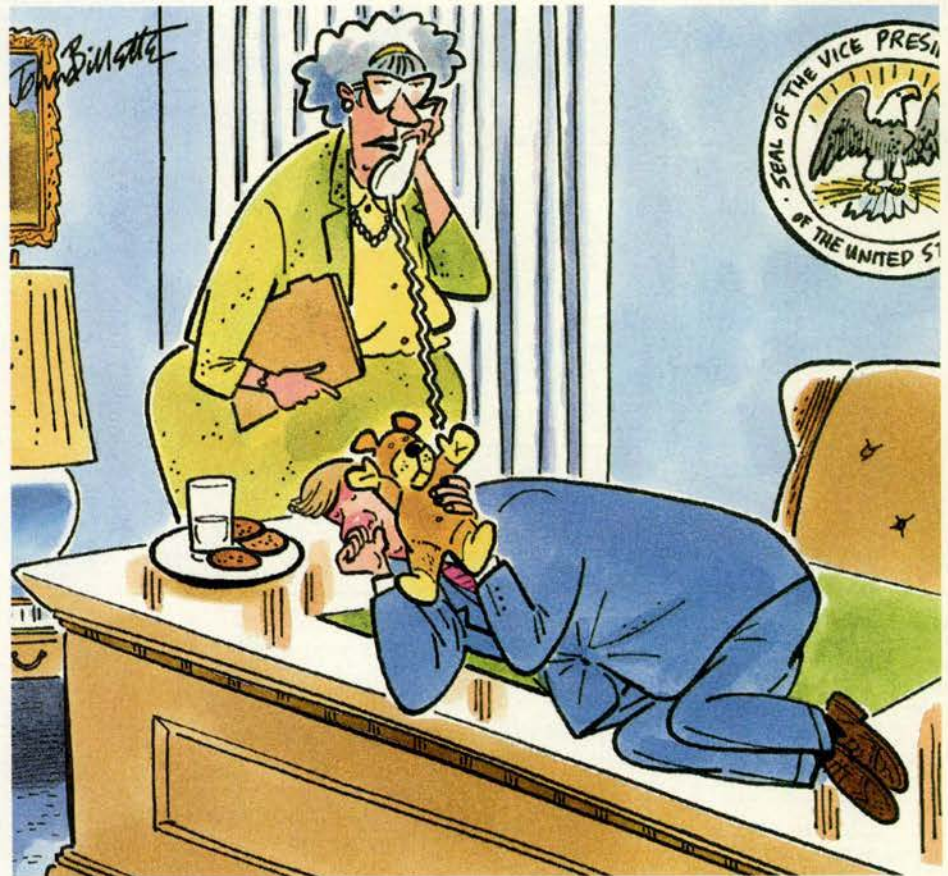

I spat on my shaft and fed my hungry muscle into her tight accordion hole. She shrieked as I slammed her rearend. When I pulled out, her hole remained molded to the size of my shaft. Only when I spritzed her stunned anus with the first droplets of sperm did the muscle flinch and wink itself back down to size. Sperm snuck out of her hole and dribbled onto the floor.

Moments later, the hospital called. A doctor said that Ralph had suffered a heart attack, which he surmised was related to job stress. I chuckled under my breath and told the doctor I would pass the news on to his supervisors. As I sit now at the desk Ralph had to vacate for health reasons, I sometimes long for those days walking the postman's beaten path.

# VOODOO SEXONOMICS: NOTHING TO SHAKE A STICK AT

BY R. JOHANNA

**A circle** of bare-chested men group around a bonfire. Voices rise in animalistic cries. Heart-pounding drums herald the coming of the midnight hour. There's a smell of fierce perfume in the air. Oils, unguents, incense and body scents mix in a dizzying chemical fog. Slashing themselves on their chests and arms with hunting knives, the gathering twists in a crazy, feverish dance. Blood and sweat mingle in shining rivulets over their dark skins. Now and then, one of them pitches forward onto his face and lies panting or rolling stiff in a nervous seizure.

Women join in the dance, making another chain, circling in the reverse way to the men. They are dazed, stamping themselves into ecstasy. The two chains jostle and combine. They shuffle together, interlocked.

In the shadows, in the extremities of the alleyway, figures sprawl and grunt, alone and in couples. An elderly woman stamps and shuffles.

Suddenly, she throws up her arms and falls to the ground in ecstasy. Flames leap and shower the night with sparks.

Round and round circle the dancers, ocher and blood and sweat glistening in the firelight, amulets and necklaces jiggling and spinning. Tireless hands drum out the rhythm; glistening backs heave and shiver in the shadows. With the thrusting of a dozen copulating groins, death in retribution for personal injury is being invoked. Spurting semen across a glistening pair of heaving, nut-brown breasts, a supplicant shudders and cries out as much from ecstasy as from the knowledge that his prayers have been successfully transmitted to the spirits of the afterlife.

Welcome to New York.

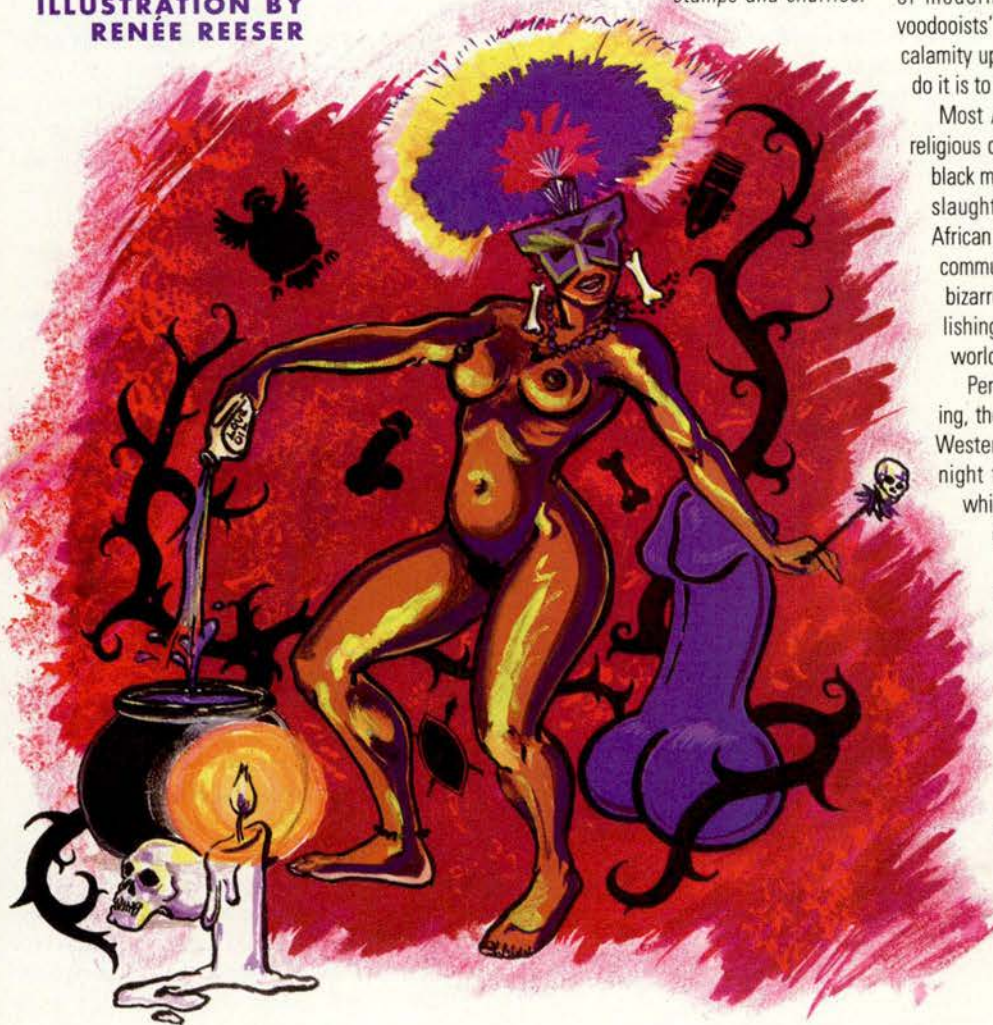

The copulatory rituals of the West Indies have infiltrated underground Miami, Los Angeles, New Orleans and New York City, and may soon reach the heartland of middle America. The celebrants are practitioners of voodoo: the sex-magic practices of modern-day Haiti. Channeling sexual energy is the voodooists' means of gaining fortune, good luck and bringing calamity upon the heads of their enemies, and the only way to do it is to fuck like crazy.

Most Americans consider voodoo, or voodoo, a primitive religious cult that victimizes the superstitious with a make-do black magic that is characterized in the extreme by the ritual slaughter of chickens. An ancient religion derived from African ancestor worship noted by its propitiatory rites and communication by trance with animalistic deities, voodoo's bizarre ceremonial rites obscure its primary goal: establishing connections between the material world and the world of the spirit through the sexual act.

Perhaps more than its priest-condoned, profligate fucking, the element of voodoo most disturbing to white-bread Westerners is its ceremonial sacrifice of animals held at night to feed gods of the netherworld known as *Loas*, which require ritualized feedings with the blood energy of earthy life forces. According to the tenets of voodoo, the otherworldly *Loas* will do anything they are asked to do, if served faithfully. Better jobs, more money and an increased ability in sex performance is the trinity of desire for whose fulfillment voodoo priests strive hardest.

A voodoo supplicant appeases the *Loa* gods of the afterlife only by fucking his brains out. *Loas* favor anything that releases sexual energy on the mortal plane. Voodooists believe celibacy, or storing sexual energy, helps only the gods of commerce who sublimate sexual energy to direct and oppress the work force. The greater the sexual power unleashed on earth, the more power earthly inhabitants command.

The voodoo *Loa* most intimately connected with car-

nal communion is called Papa Guede. Papa Guede is represented symbolically by the male sexual organ. A stiff dick is said to be possessed by Papa Guede.

When in Papa's possession, an erect cock gives a man his sexual appetite. At that point, according to voodoo expert Michael Bertiaux, author of *The Voudon Gnostic Workbook*, such a man is closest to heaven and poised to give service to the greatest of sex gods.

The cult of Papa Guede incurs instances of astral necrophilia, that is to say, erotic encounters with dead spirits who manifest their presence in the male organs of sleeping humans.

Erection during sleep, according to Bertiaux, indicates a visit from Papa's spiritual familiars.

Lord of the spirits of death, Papa Guede terrifies worshipers with obscene and macabre humor and can be contacted through all forms of sexual activity. Mendicants of Guede honor their god with obscene songs and masquerades involving huge, wooden phalluses. Anything that gives pleasure to the sexual organ is a form of delight to Papa Guede. When the organ exhibits sufficient pleasure, Papa Guede gives it a mind and will of its own so that the member becomes a magical wand or tool of the Guede god of sexual power. Even very old men, if they have dedicated their lives to Papa Guede, are said to be able to fuck like rabbits, never losing the "high na-

ture" revered by voodoo practitioners as a phallic fountain of youth.

Semen, considered by voodooists to be a mystical cream that comes from the rod of sex power, is fabled to cure such maladies as blindness when administered by voodoo doctors and priests. The ritual power of blood sacrifices in voodoo theology pales in comparison with the magic of the squirting, sacred cream. Maya Deren, author of *Divine Horsemen*, recounts a story of an incident whereby Papa Guede was called forth to heal a dying girl. As part of the cure, Deren relates, Guede reached between his legs and drew forth a handful of sacred cream, with which he washed the girl, and she lived.

Loas are always eager to accept sacraments of sex propitiation, but in instances of special favors, an intermediary called a *bokor* helps ensure their attentions. The bokor is the "give man" of black magic. He sends the spirits of the dead to kill or trouble a supplicant's enemies. Visiting cemeteries at the midnight hour, bokors make offerings of food and collect soil from the graves of the dead they wish to bring forth to trouble living victims. They then spread the dirt on the paths intended victims frequent, thus arranging a point of contact wherein the souls of the dead can enter the bodies of the living. Bokors are the makers of zombies: will-less, speechless bodies capable only of automatic movement, the so-called walking dead. To prevent the use of a body in such a manner, a corpse must be mutilated to ensure it stays inanimate.

According to *The Voudon Gnostic Workbook*, to pre-

pare an altar with which to supplicate the voodoo gods of the afterlife, one needs a few simple tools, a desire to expend sex energy and a good deal of devotion. In a quiet place, the voodoo supplicant sets a table on which he places two candles, one black, in the north, and one blue, in the west. He faces east and places a glass of water on the south end of the table, directly opposite the black candle. This is the basic voodoo altar, suited for most kinds of otherworldly appeals.

If he is praying for the love of another while accompanied by a fellow voodooist, he may make the offering to gain the love of another by fucking the female devotee.

Offering semen to Papa Guede is considered the most powerful magic of all types of voodoo. Taking his magic wand in hand, using a specially prepared oil as a lubricant, thinking only of sexuality, working harder and harder toward the explosion of the jism-magician orgasm, the votive supplicant is said to expel spiritual rays (*ojas*), like so many laser beams moving through space and time, sending his prayers deep into the realm of the dead. This is the secret of *unction*, a voodoo art of applying special oils to the sacramental "meat" of the body. Each part of the meat has a favorite oil. With the proper ceremonial use of unction oils, the whole universe is said to become transformed into the life-force of lust, attracting and dissembling the powers to help or hurt.

To control the minds of other people, the supplicant kneels before the altar. He visualizes the person he wants to control and prepares himself mentally to have sex with them, whoever—and whichever sex—they might be. He holds this sex energy in mind and pictures a square composed of the letters of his intended victim's name. He chants, "I infuse this magic square with the powerful lust magic in my mind," and offers the infused mental square to the Loas. To bring misfortune onto the head of another, the supplicant may make an offering of sacrificial semen to the gods of sex magic. After anointing himself with an oil of unction, he either jerks off or fucks a fellow supplicant. In doing so, he must imagine himself having sex with his intended victim; he must literally imagine himself "fucking them over."

For love- and sex-binding spells, a supplicant sets his mind on the person he wishes to attract, visualizes having sex with the target and prepares a name square on paper. This he places on the altar between the candles. He prepares a glass of peach brandy and invokes the spirits of love and sex to come to his aid. Without losing concentration, he applies oils to his cock and jacks himself to a ritual offering of sacred cream.

Healing the sick, bringing riches, attracting love and sex and fucking-up one's enemies are not done without a certain amount of risk. Setting up the colorful temple wherein the gods may reside and positioning oneself like a spider in the center of one's own web to catch magical vibrations is much more far out than it sounds. It's the precursor for the real business of voodoo consciousness: creating a voodoo space/time machine, where the dead and the living combine in a single splooge-load of orgiastic revelry. 

"You seem to have a marriage of convenience."

She tasted like vanilla icing with her own brand of raspberry jam in between, oozing sticky red when he stuck his tongue down the middle.

In the beginning, they didn't know jack shit about each other. For two months of paradise, he didn't even know her last name. She tasted like vanilla icing with her own brand of raspberry jam in between, oozing sticky red when he stuck his tongue down the middle. Every delicious look at her was a fresh taste. Things were just about perfect.

These days, sucking her hole just wasn't the same. He knew her better than he knew himself. Lately there was a good chance her cherry cunt smelled like an oyster bed at low tide, and he only ate fish on Friday—like all the other Catholics farther ahead in the line to redemption. Her mouth was all he wanted, 'cause he couldn't stand the smell of shit either. Couldn't bear the thought that her stinky, brown muck might back up through his flapping pee slit and poison him from someplace deep inside.

Her fucking lips felt more like pussy than the real thing. Fresh. Clean. Godlike. He wanted her mouth around him, workin' its magic, turning his bent dick limp as al dente, the way he wanted it to be. What good was a man when a hard-on was all he could think about?

She wanted it inside her vag, of course.

She was a stickler for the proper things in the proper places. Reared by nuns, for Christ's sakes. Once upon a time, she'd ridden his stiff wang like a little girl who rides the seat of a bicycle and can't get her tailbone hard enough 'gainst the seat.

But right now, the smell of pussy would about make him puke. He wanted her mouth. Her greasy, berry-flavored lips.

"C'mere," he told her, his fingers busily poppin' the buttons of his fly.

"Whaddaya want?" she murmured, deep in concentration, her face in a mirror, pinkie finger smearing raspberry goo on her fat, upper lip. Blond curls framed her heart-shaped face like a filigree gold frame 'round a picture of Christ. The Sony showed a slimy, red eel slithering through a razor-edged labyrinth. Fuck all Catholics! And screw the goddamn nature show!

"C'mere," he said again.

She closed the compact and studied him like a lazy cat does a dog on a chain. "Whaddaya want?" she asked again.

He squirmed a little, impatient in his forest-green, Naugahyde easy chair. She looked up. He made an O-shape with his

lips. Palmed the scratchy bulge in his pants.

She frowned a little. "What's that s'posed to mean?"

He scowled, as if to say, "What are you acting so fucking dumb for?"

She put on a look of wounded frustration, meaning, *Why don't you fucking speak English, like a normal human being—the only kind I'd blow in the first place, if you're interested to know?*

She spent the effort of posing an audible question: "Why should I suck that big, ol', greasy pole?" She looked at him straight on. This year, she'd be 25 years old. How old did it take to be treated with a little respect?

"I need you to," he answered, grinding out the angelic tenor of a choirboy. Part of God's perfect plan was the miracle a little boy's voice worked on womanly ears. He put on the little-boy face to go with it, but the eyes behind the little-boy look were the eyes of a 37-year-old spider, waiting to see how close the pretty fly was going to get to his web.

Trouble was, she'd come calling to the sound of his little-boy voice too many times to fall for it once more. Nothing was quite so painful as sticking her face in those little-boy pants and finding a dirty, old man.

"You think I was put on this earth to be your own personal sex slave?"

The strap of her satin slip dropped off her bare shoulder, into the crook of her arm. Panties and a slip. She wasn't wearing slippers. Her little, bare toes were like perfect shells on the beach.

"Whaddllyla give me for it?"

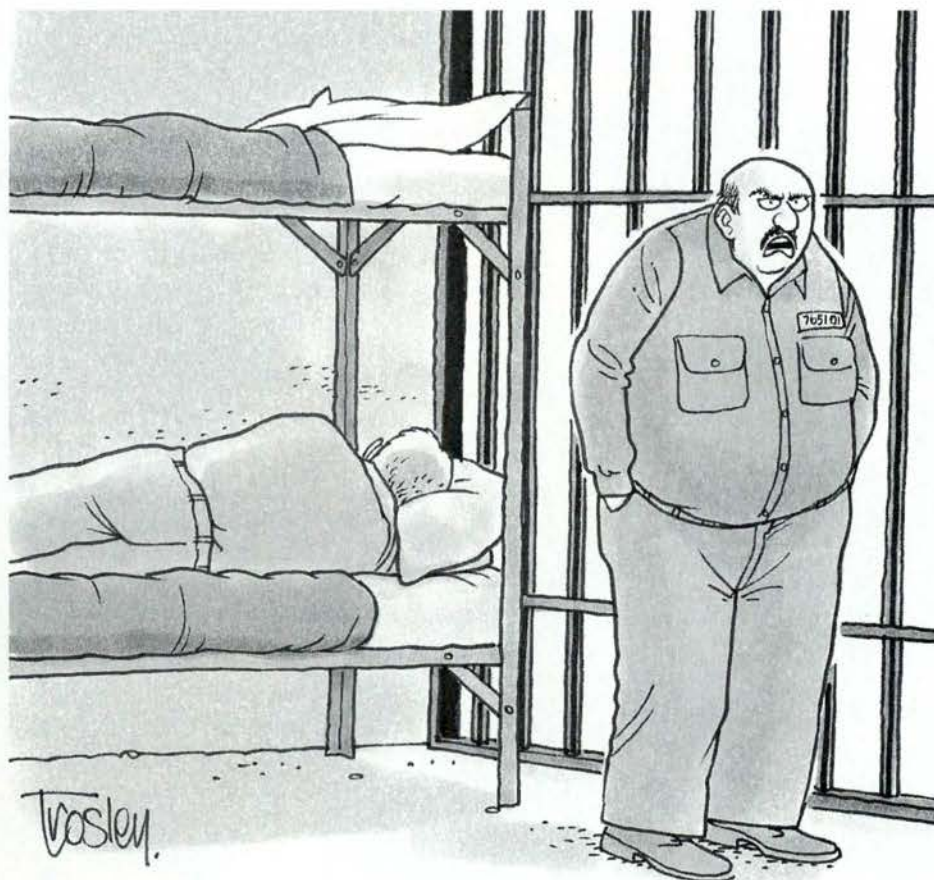

She crossed her legs and took an emery board from her Yves Saint Laurent leather bag. Selected the longest red nail on her status-brand-clawing fingers. Started to grind it to a point. Her petulant tits jiggled with each gritty stroke. *Damn!*

He idly wondered how many payments were left on the Sony. There was the CD system. The Westlake speakers. Not to mention the ancient RX-7 in the driveway that needed a new engine, a new everything else. Nothing left on the gold card. Visa charged up the ass. American Express threatening lawsuits. There was that god-awful, nervous twitch in his bowels. He should be out looking for a job this very minute. Unemployment insurance wouldn't last another month. Couldn't he even get a fucking blowjob on credit?

"C'mon...." No kidding around anymore. He was a little boy. He had an owie. He wanted his dick sucked.

In the beginning, even for her, their sex life was a copulatory Garden of Eden. He'd have to pry her off his lap. He'd spent so much time with his cock up her crack, they might've been Siamese twins. She came without calling. If she wasn't pulling him hard up her pussy, she was wettin' him with her tongue or jerking it with her feet. Some

She couldn't even piss by herself! He'd be right there in the bathroom with her, slipping his tongue down her throat while she folded the tissue.

nights after she'd had an extra drink or scored some special dope, she'd roll him on his back, grease herself with homegrown vaginoli and delicately—determinedly—slide the tender insides of her tight, tight bung hole down his throbbing shaft. The pleasure was excruciating. And then she'd let him pump, as hard as he liked, as long as he wanted.

She couldn't even take a piss by herself! He'd be right there in the bathroom with her, slipping his tongue down her throat while she folded the tissue. They couldn't remember a single scene from a movie in the first two years they were together, and they went to the movies every Saturday night. She practically lived on the sperm she sucked out of him. Every day a fresh dose, like vitamins. He fucked her to sleep at night. She fucked him awake in the morning.

Maybe she listened too closely to the snake in his pants. Maybe it told her too much about the way a woman can wrap a man into any configuration she wants when she's got his dick feeling good. She liked the deluxe condo apartment he rented for the two of them. She craved the fancy dinners he took her to, the theater shows and movies and ball games. The little gifts now and then, like the amethyst-and-silver watchband and the Yves Saint Laurent alligator bag. The trips to Cabo San Lucas and Vegas. Barney's New York in the spring, Hotel Bel-Air in the fall. But what she really wanted was a diamond on her wedding finger. Plenty more, but nothing less. She was a good Catholic girl. She was lookin' at marriage down the line. He could look till it hurt, and he never saw it.

She started to see what more she could do—what would make him quiver just a little longer, make his shower of jizz arc a little higher when he came, make him want to do something a little more special, all the way up the ranks to a shining wedding band. She chomped his raw nipples while squeezing his glans in the grip of her sphincters. She rammed her hot tongue in the hollow pits of his arms while bunching his balls in her fist and pulling 'em ever so firmly. She bit his ass cheeks and rolled his dank toes 'tween her lips. He fell over himself for it, convulsed in violent, jerking deliriums of sexual bliss—but it didn't bring a connubial contract to mind. Drool passed his gaping maw, and his eyes rolled back in his head. He discharged countless loads of white approval. But he never seemed to reach the degree of submission she craved to see. He was never as much under her thumb as she wanted.

One night, as he hungrily gnawed her swollen clit, she absentmindedly ran her mid-

dle finger down the crack of his ass. As it passed across the mucky bump of his hole, he bit her sore button so hard she yelped. A gush of pussy oil helped salve the hurt. She touched his bung again. His hand left her tit and automatically wrapped 'round his purple cock. He started to jerk himself like a maniac. She tried to take his hand away from his dick, but his grip was like iron. She removed her finger from his ass. He immediately relaxed. His hand left his crotch. Again began massaging her tit, as if nothing had happened. She sucked him to climax, swallowing more cum than his undulating testicles had ever produced, and he drifted dreamily to sleep, not aware of the power shift in their relationship.

She lay beside him, staring fondly at the flaccid projection of bloodless tissue that she suddenly knew unequivocally how to master, which flopped peaceably against his hairy, inner thigh, mindless of the new role it would play in her plans. She wasn't an evil bitch. She just wanted a little more to say about things. A little more authority. Nothing more than her fair share.

She was still awake when the sun rose. The pale, chintz curtains over the bedroom

window glowed a rosy pink. Chattering birds greeted the dawn. He lay on his side, his face mashed in a flattened pillow. She ran her hand along the side of his naked body. He didn't stir. Her palm passed his furry stomach. She'd never known anyone as ticklish as he was. He didn't budge. She leaned down and stroked his limp dick. Some mornings, he woke with a hard-on. Not today. She rubbed the flat of her thumb on the sensitive flesh just under the cap. It didn't budge either. In fact, it appeared to shrink a little more. She put her thumb to her mouth, spit on it and rubbed little circles on that sensitive spot. It shrank a fraction farther.

She ran her hand along his butt. Carefully monitoring his sleeping cock, she slipped a finger down the crack. Gently probed the rim of his sphincters.

At the instant of her touching his bung, his cock grew larger by half. Her fingernail tentatively entered the hole. So much blood flooded his member, it resembled a clown's pink balloon inflated by a tank of pressurized air. The phallus was rigid as a pipe of steel. The cap was bloated and red as a ripe, spring tomato. Already, without her even touching it, a fat drop of glistening pre-cum popped out of its tip.

That night, during an agonizing gourmet dinner, she squirmed with impatience while he lingered over crème brûlée. She found herself resenting every minute of an after-

dinner theater performance rife with the combination of bad acting and nudity that would have usually held her in thrall.

At last, they were back at the condo, stripped bare and in bed. She allowed him the pleasure of initiating all of their accustomed positions. Nearly laughed as he spurted his tired, old seed across her nose and lips after a nondescript tit-fuck. He interpreted her choked chuckle as yet another inchoate classification in the mystifying catalog of feminine come-gruntings. Quickly rolled over with a grunt of his own, meaning anything between "Good night" to "I love you, darling; you have once again given me inestimable pleasure; you are my cosmic twin; I treasure you for any number of reasons that have nothing to do with sex. See you in the morning." But here was where her patience for routine came to an end.

Her fingertips meandered in the hollow between his hip and chest. He burrowed resolutely into his pillow. She reached around and ruffled his chest hair. He made a half-hearted effort to push her away. He never went seconds. Had she forgotten? With a flourish, she swept her palm between his ass

cheeks and dug the folded knuckle of her thumb into his shitter.

He stiffened as if struck with a branding iron, then rocketed around and pressed his face to her tit like a drowning man to an oxygen tube. His lower bodily apparatus fiercely humped the empty air above her snatch like a mechanical bull, full of electricity, but without any direction. She repositioned her hands, snaking her wrist under his balls, never losing touch with the magic button. Maneuvered him onto his back with the skill and determination of a rodeo-circuit rope-and-tie. Wrapped her lips around his thrashing member. He grabbed her head, he grappled the pillows, pulled the sheets away from the mattress in a squirming, writhing ecstasy. *This was the ticket*, she thought in awe. This would get her to the altar at St. Patrick's Cathedral, no less.

She mouthed his balls. Tongued the hair patch underneath. Finally went where no good Catholic girl dared go. Heedless of the consequences, ignoring the rules of hygiene to which the greater part of her existence had heretofore been devoted, she dove open-lipped onto his quivering, stanky sphincters.

Eyes tightly shut, fists clenched, toes curling with prehension, she spent a good half hour suckling at that aged, puckered orifice like a newborn pig at its mother's teat, chanting *I do, I do* in her brain like a mantra. He might have recognized in her gesture the ultimate sacrifice, if he weren't entirely oblivious. Eyes rolling back in his head, he trembled in a netherworld of orgasmic delirium, the brink of pure pleasure, the threshold of earthly paradise. The sheer volume of his dick-spurred offering that finally christened her sacred devotion must have averaged half his yearly production. Not that she noticed the liberal spattering. She was too busy sucking fresh air.

After this prodigious spurting, he felt strangely—almost frighteningly—empty. Every iota of jism had evacuated his balls. She, on the other hand, felt almost sickeningly full. What comforted her after his wheezing hyperventilation turned to snores was the certain knowledge that what guaranteed a Catholic girl of her generation a wedding proposal was not a mistimed pregnancy, but a rimjob. After all, she'd humiliated herself on his account. He *had* to marry her!

The following night saw a mind-blowing succession of butt-licking sessions, but her plans went awry, to her horror. She'd sucked sphincter with so much enthusiasm, he got to wanting to try it on her. Him! The overgrown altar boy! The man even her mother thought was decent, God-fearing, a saint! The possibility that he might turn the tables hadn't occurred to her. She'd choked less on his shit-stained stank than on her own reservations. First of all, how could a man who gagged at cunnilingus handle the browner side of the fence? And, more important, could she ever respect a man who tongued her A-hole? What would the nuns think?

Despite her objections, her determined way of squirming her ass out of reach, he wanted a bite. Wanted a taste. And finally latched onto her bung like a butt-juice leech.

Not only did he take to ass-rimming like he'd been born for the job, his impromptu technique sent her pussy into a shameless spasm of gratified gushing. She rode his head like a tongue-torquing bidet, screaming, despite her best interests, "Don't stop! I love it!"

So her wedding plans were shot to hell. She'd failed in her mission to make him indebted to her. They were even. She'd sucked his butt; he'd sucked hers. He was nothing to her anymore. Just another asshole.

And lo and behold, the very next weekend he married her in a fly-by-night matrimonial dive in Las Vegas. And promptly lost his job, his credit, his health insurance. She was stuck with him for all eternity.

"Please....," he now begged her, flicking his flopping joint. "Suck it." She thought it over and agreed. Why not? What could it hurt? Nothing could get the taste of shit out of her mouth. 🍆

# NUDE CONTEST

Her tolerance is abruptly and pointedly withdrawn. "Eat my shit, dude," sneers her attitude, "and don't kiss my ass while you're at it."

Dateline: Mississauga, Ontario, a flat-line suburb of Toronto, Canada—The Runway 66, like so many upscale strip palaces, is located near a major international airport. Outside, an airplane nose cone, flanked by huge twin propellers, juts from the building's facade. Guys file in below the aeronautic twirlies, singly and in groups, shouldering past exiting patrons whose expressions are the bitter residue of soured expectations.

The entrance backs up. One fellow looks into the hollow back and interior of Runway 66's landmark nose cone. "It's fake," he murmurs, disabused and dismayed. His eyes a fraction less wide, he moves into the citadel of bogus boobs, hair extensions and feigned arousal.

But there is one more barrier. A banner announces the Miss Nude World International Pageant: WE WELCOME THE WORLD. For a small fee, of course.

"Five dollars?" exclaims the queue of consumers, knocked back like a row of tumescent dominoes. "There's never been a cover before."

They all pay it.

The Runway's black-walled interior is an aural-visual kaleidoscope of strobes, mir-

rored surfaces and high-decibel, low-IQ rock. Fully clothed males sit, straining and squirming, in a communal mook meld, their sodden anonymity vividly streaked with flashes of raw, pulsating female nudity. From a second-story booth above the ground-level action, the man spinning the records cuts into the lobotomy-rock to exhort the crowd: "Somebody scream!"

Somebody screams, but it's too loud in there to hear him.

A row of flags is strung along a beam across the back of the stage, each pennant representing a country inhabited by nude females. It's the United Nations of Cooze.

"Thunder from Down Under!" blasts the deejay/emcee's voice-over. "Miss Nude Australia! Let's have a nice round of applause for Sapphire!"

Sapphire, blond and lissome, stalks the runway like she'd stalk a kill. She has the presence and charisma of a champion athlete-turned-pop celebrity. Her fine, tanned lines fill the spotlight with synchronistic flexing of thigh and ass muscle. Beautiful and imperious above free-rising breasts, she holds her face up into the high-beam halo. But many of

the rods in the audience don't even know she's there.

Runway 66 features a phenomenon known as the table dancer. The table dancer is one of the most potent diversions known to civilized man's deep-seated, barbaric nature.

A dozen nubile nymphs undulate through the crowd, portable tables cocked upon their hips or shoulders. These girls are microscopically clad in clinging, libido-accentuating scraps—bikinis, lingerie, tube skirts. For a five spot, a chosen trollop plants her table—more like a low footstool—between the legs of a seated individual and, for the precise duration of one song, gives him a one-on-one air-fucking.

As the non-sex act begins, the guy leans back and appraises his rented wench with a look that says, "Suck my dick, babe." When the song ends, the stark dancer immediately replaces every bit of clothing she has removed. Her feigned tolerance of her momentary employer is abruptly and pointedly withdrawn. "Eat my shit, dude," sneers her attitude, "and don't kiss my ass while you're at it."

\* \* \*

A stage dancer must work doubly hard to overcome the distraction of the table dancers. Miss Nude Hungary, strutting like a gamecock in Spandex plumery upon the elevated center platform, captures the attention of every conscious person in the building.

A redhead with Latin fire in her chiseled facial features, Miss Nude Hungary speaks limited English, but her body language is salacious and fluent. She can't do anything that's not sexy. She slaps high-fives with the schmoes along the sushi row, working them with personal-touch contact.

She has true dance ability, whipping her body in a twirling blur that would spin a Fly Girl's head. She wields a set of flaming nunchucks, flashing the burning sticks around her pert, little-girl head. "She is a trained professional," insinuates the oily, predict-a-joke announcer. "Do not try this at home."

Miss Nude Hungary smoothly flows into a T'ai Chi mode, dispensing with her garments in a fluid economy of motion that is very much like an artistic endeavor. Her martial-arts dance is so seductive that her gaping fans don't stop to wonder whose head she is visualizing at the receiving end of her lethal blows.

Her accompanying music segues into an aria, and she sinks into her floor-exercise segment, moving with the power and grace of a champion gymnast or contortionist. Her pussy's full, chewable lips quiver as her arms support her lower torso in a swinging, split-legged hand cradle.

She exits the stage to slabs of applause.

Miss Nude Orient nearly stumbles. The center prop of her show is a portable gallows. She slips on a harness and dangles from the beam.

ly from the Philippines and now representing Miss Nude Orient...."

Under a mass of black hair, her eyes masked in garish, Day-Glo streaks, Miss Nude Orient does a flip and nearly stumbles. The center prop of her show is a portable gallows. She hangs from it by the leg and by the arm, spinning in an oddly unseductive and surreal daze. She slips a harness beneath her armpits and dangles from the beam. Her flailing feet accidentally knock the chair beneath her. Her support skids away.

The night passes in a haze of smoke pots, nude handstands and double visions of re-treating table dancers.

The Mississauga Quality Inn is just another rapid-fab motel at the side of a featureless highway. A Ford Aerostar XL van parked out front gives the first clue to the delights behind the Quality's mundane facade. A banner on the minibus reads: "The Official Courtesy Bus for the Miss ??? World Pageant."

Inside the Inn, a pajama-partying sorority, many of them clutching incongruous teddy bears, comes to life in the mid-morning coffee shop. Only last night's makeup and a pre-

ponderance of surgically rounded bosoms separate these girls from the senior class of Thelma's Business College out on their graduation outing. The awakening Miss Nude World International contestants sip coffee and engage in desultory shoptalk. One worries that the fabled drug tests demanded by Extravaganza Productions, the organization staging the event, will detect vestiges of marijuana that was being smoked in a room she walked past the night before. Another pair of dancers discuss hair extensions.

"It's not real hair, is it?" asks one finely woven lovely. She's had her extensions in for a few months now, but she's not entirely sure about them.

"You can keep them in four to six months," replies her non-sequitur interlocutor.

"But you can't curl it?" asks the woman who owns them.

"You can only put hot curlers in it."

"But you can't curl it?"

"You can, but that will fry it."

Miss Samantha Jones enters the coffee shop, and the girls slouch to attention. Samantha is a matronly redhead, matronly as in police matron. She packs a punch beneath

her surface of deep patience. According to official pageant literature, Miss Jones—representing Italy—won the first Miss Nude World Contest, held in Syracuse, New York, in 1965. In the '70s, wheeled sleaze meister Dick Drost ran the Miss Nude World Contest at his infamous Naked City, occasionally utilizing Samantha as mistress of ceremonies. In 1989, Drost helped Samantha and Extravaganza Productions run the Miss Nude World International Contest. These years of tradition are a stone foundation beneath Samantha's rock-steady manner.

The girls hang on Jones's every word.

The votes from the previous nights' competitions have been tallied, she explains. Fourteen of the 31 girls have been chosen to go on to the final rounds. Samantha realizes that some girls will prefer to be informed of defeat in privacy, rather than while upon the Runway 66 stage. Therefore, if a girl needs to know whether or not she is to proceed in the contest, she may go to Samantha's room and ask. However, if a girl asks and is told that she is not among the finalists, then she must forego participation in the remainder of the pageant, check out immediately, "get your johnnycakes out of here."

The essence of this agreement is hammered out like the SALT II treaty.

"Does everybody understand what I'm saying?" asks Samantha.

She is answered by a chorus of nos.

Sapped of her longstanding patience, Samantha leaves the smart ones to explain it to the others.

Sapphire, Miss Nude Australia, is out of breath. She'd gone back to her room for a moment at the Mississauga Quality Inn. Another girl had promised to alert her when the van was ready to shuttle the contestants to a mandatory meeting at the Runway. Any girl who misses this meeting will be eliminated from the pageant. The rigors of competition being what they are, Miss Australia's pal leaves her, and the transport van comes and goes. Luckily, a lurking photographer gives her a ride.

Up close in the back of a speeding car, Miss Aussie is more intense than she appears on stage. She is a serious blonde, strong, articulate and intelligent. A few girls have already been kicked out of the contest. "The rules are all written out, and we had to sign them."

The Miss Nude World International Pageant is important to the girls for reasons other than the prizes. Booty listed in the official program runs the gamut from tanning packages to a complete nail make-over. According to the fine print, neither the Runway 66 nor Miss Nude World International may be held responsible for nondelivery of any prize promised by donor(s).

working dancer can earn up to a quarter million dollars a year headlining the top venues with such a title on her resumé. Just being named a finalist, according to Miss Oz, could make the whole ordeal worth it.

Even though the car is traveling at close to 100 miles an hour, Miss Nude Australia declines to admit she's excited. If she gets excited, that'll make her get nervous, and when she gets nervous, she puts on a bad show. Sapphire won a contest in Australia to qualify for the Toronto meet.

"Was it a tough contest?"

"I don't know how tough it was. There were ten other girls. I got very nervous, and it was terrible."

"But you won?"

"Oh, I won." Sapphire is a very serious blonde.

Back at Runway 66, a whole new tension runs among the contestants. They huddle in the VIP upstairs area, looking down at the proles below. Some of the girls are in robes; many are totally naked. HBO has a camera crew covering the proceedings. Mexican TV is there too, as are skin-mag talent scouts. Some of the girls look like they might get sick; after all, only half of them will go on to compete.

Hyperventilating, Samantha Jones takes the stage and introduces the Miss Nudes. One at a time, the girls come starkers down a spiral staircase to the stage level, promenade, and stand pressed against one another in a growing line, totally naked except for sashes emblazoned with the names of their representative nations.

It ain't easy getting down those steps. Calves, thighs and glutes strain as the 26 girls descend. Spectators seated beneath the stairwell see the fine hairs on a girl's upper thighs, glowing like golden, silky down in the spotlight. Or, the spectator just looks up and checks out her pussy lips.

The collected girls gather for a group shot, posing and smiling. So many naked women in one place. They seem to all be smiling directly into a lone spectator's face. He has never seen such loving regard come from a pair of female eyes, never mind from 26 pairs. But then, he has never been between 26 women and a mirror, such as the large one that lines the wall behind him.

# NUDE CONTEST

A Chinaman reaches up to fold money into Miss Nude Norway's G-string. "Get your hands off her," screams an ace in the self-policing crowd.

voicing that suspicion. A number of crowd pleasers failed to make the grade.

The big night has more hoopla than the one before. All the girls are on hand; even the ones who didn't pass the cut are totally dolled up. Trophies big enough for a sumo wrestler are arranged upon a ledge above the stage. The HBO camera crew skulk about the stage perimeter.

Samantha is resplendent in an emerald-green, sequined dress. Her microphone has difficulties. "Microphones are like men," adlibs Sam. "You have to play with them to get them to work."

The microphone goes totally dead.

The participants of 1991's revelry, introduced one by one, flash past in shimmering gowns of satin and sequins. Some guys in the audience, urged on by the deejay, scream through the entire presentation. The girls stand and bow.

"The ladies are being led to a soundproof booth," announces Samantha to a presumed-gullible audience.

The official program promises, "The old adage [*sic*] 'beautiful but dumb' has no bear-

ing here," and dedicates the pageant to the preservation of the planet. The intellectual portion of the contest requires each finalist to extemporaneously answer the question: What would you do to save the Earth?

A wag in the audience suggests group sex as a solution. He suggests it a little too loudly and is whisked from the premises by a man who resembles an endangered species of pink baboon.

As each finalist takes the microphone and spills her plan for saving the universe, it becomes clear that some are speaking more extemporaneously than others. A few have memorized their responses, perhaps while back in the soundproof booth not hearing the question. Others are taken entirely by surprise.

This portion of the entertainment is a welcome break from the music, but the crowd has come out to see pussy. Here's what they see:

\*A reprise of Miss Nude Hungary's martial/sexual pyrotechnics; warm, snow-scent shivers running through Miss Ireland's majestic slopes; a BWA in a tub of green Jell-O, feeding cubes of squiggly dessert to the popping weasels sitting stageside; two separate BWAs whose shows hinge around

playing with fire—only one swallows it; the perfect muscle-tone-to-jiggle factor of Vanna Lace, Miss Nude Switzerland; Vanessa Del Sol, 1990's Nude World Queen, in a dance routine that would snap the head off a lesser athlete; and Miss Australia beginning her set totally nude and shaved, working backward to yank her own chain by pulling a pair of panties up in her slot.

The awards portion of the show is drawn out, anticlimactic and too late in the night. Many of those who have not already gone home go to sleep.

Samantha prolongs the agony by handing out certificates suitable for framing to all the little people. Even HBO gets a certificate.

"Sam really knows how to build suspense," opines a failed contestant. Much of the audience streams for the exits. "She's got everybody's ovaries in her hands."

Personal awards are given first: Lisa D. Foxx, Miss Nude French Riviera, is awarded the Best Dance Ability in the World. A large portion of the world was not consulted on this award, nor on any of the following: Miss Nude World Gymnast, World's Most Beautiful Face, World's Hottest Stage Personality, the Audience Favorite of the World, the World's Hottest Newcomer, the Most Luscious Lungs in the World, the World's Most Sensuous Woman, the World's Hottest Body, the World's Fanciest Fanny, the World's Hottest Legs, the World's Most Unique Show, the Best Show in the World, the World's Businessman's Favorite and, "the most coveted award in the world," more so than the Nobel Peace Prize, Miss Congeniality. Each award requires its recipient to come down, accept the token and brazen it around the stage.

A few awards were missed, such as:

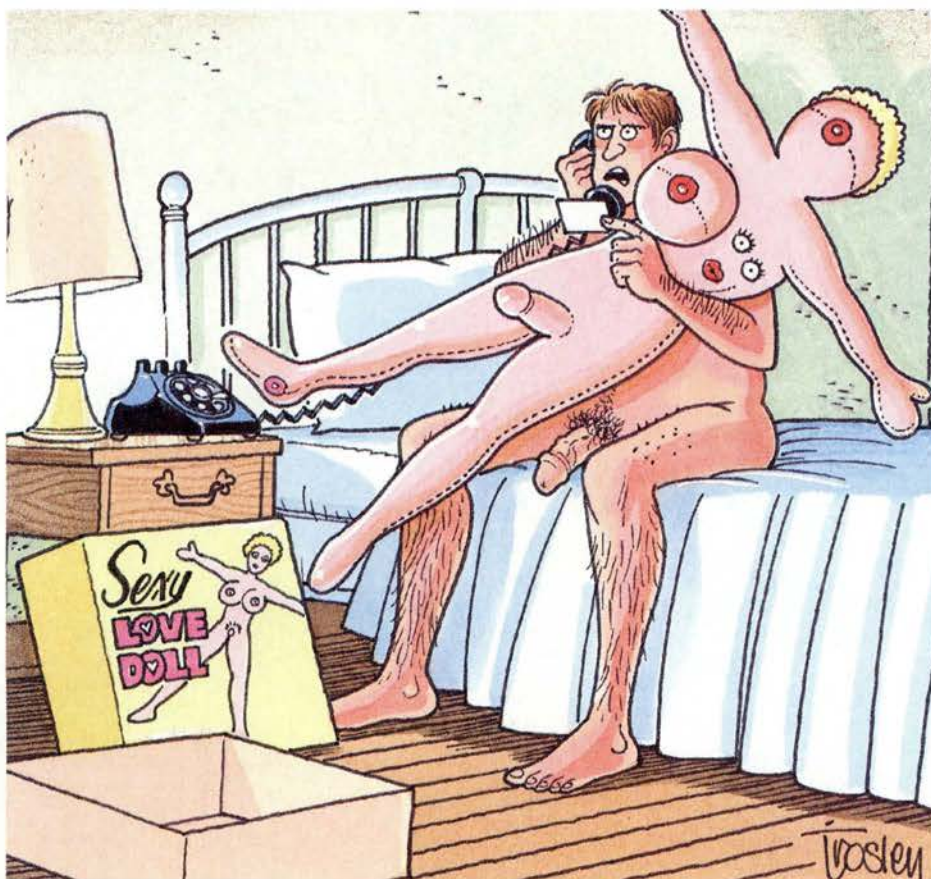

Most Incongruous Nationalisms: Miss Nude Eastern United States costumed in Wild West gear; Miss Nude USA's entire musical selection being in Spanish; Miss British Isles doing her routine in American Indian regalia.

Heights Achieved by the Deejay's Wit: "How many of you guys like your women wet?" said every time a contestant hosed herself down.

The half dozen stalwarts who have stayed through all these awards no longer care who wins the contest. Miss Ireland only comes in fourth.

"You must remain here and remove your clothes," stipulates Samantha.

Neither Miss Nude Australia nor Miss Nude Hungary places in the top four. Despite allegations of being spotted on the club owner's arm, the winner, Vanna Lace, representing Switzerland, is unarguably a deserving, underdog winner. In the spirit of honest, clean competition, much of her music and props had been stolen prior to her show.

"Inspector #12, please...."

"Now that's original!"

Allan was sitting at a bar in a Miami Beach hotel feeling exceedingly horny, when a beautiful hooker approached him.

"How much do you want?" asked Allan.

"One hundred dollars for the entire evening," replied the hooker.

"Well, if I'm going to pay that kind of money, you must do it under my rules."

She said, "Honey, that's fine, as long as you're paying."

Allan said, "Okay, meet me in my room in ten minutes, and we'll close the drapes, turn out the lights and do it in pitch-black darkness."

"That's okay, honey. It's your money."

When they got together in the room, Allan really gave it to her. Then he said, "Let's rest a few moments," and then he started in again. The same scene went on for two hours. Finally, after six encounters, Allan seemed even stronger than before.

The hooker said, "Allan, you are the most fantastic lover I have ever had. You just keep getting better and better every time."

"Listen, lady," said a voice. "My name is Daniel. Allan is outside selling your ass at 50 bucks a throw."

"I think my wife is pissed at me," said the man to his co-worker. "I made a slip of the tongue this morning."

"Oh," the co-worker asked, "how's that?"

"I was sitting across the table from my wife at breakfast and meant to say, 'Honey, would you pass the milk?' but what came out instead was, 'You scroungy bitch, you've really fucked my life!'"

**Question:** What's the difference between fucking a girl with arms and fucking a girl without arms?

**Answer:** If you're fucking a girl without arms and your dick slips out, you have to put it back in yourself.

A man returned home from the graveyard shift at 7 a.m., went straight to the bedroom and found his wife with the sheet pulled over her head, feigning sleep. Not to be denied, the horny man pulled up the sheet and proceeded to screw her.

Afterward, he hurried to the kitchen for something to eat and was startled to find breakfast on the table and his wife pouring coffee. "How'd you get in here so fast?" he asked. "We were just screwin' in the bedroom a couple minutes ago!"

"Oh, my God!" his wife gasped. "That's my mother! She came over and spent the night in our bed." Rushing into the bedroom, she cried, "Mother, I can't believe this happened. Why didn't you say something?"

"I haven't spoken to that bum for 20 years," she huffed, "and I wasn't about to start now."

"Yim Yohnson."

"Don't worry about the shot, Doc," the man replied. "Just fix it—I've had pain worse than this twice before."

After the doctor had finished his work, he asked the guy what kind of pain was worse than getting a gash that went to the bone sewn up without any anesthesia.

"A few years ago," the guy began, "I was in the north woods hunting. I sat down behind a bush to take a crap, when my balls fell into a bear trap."

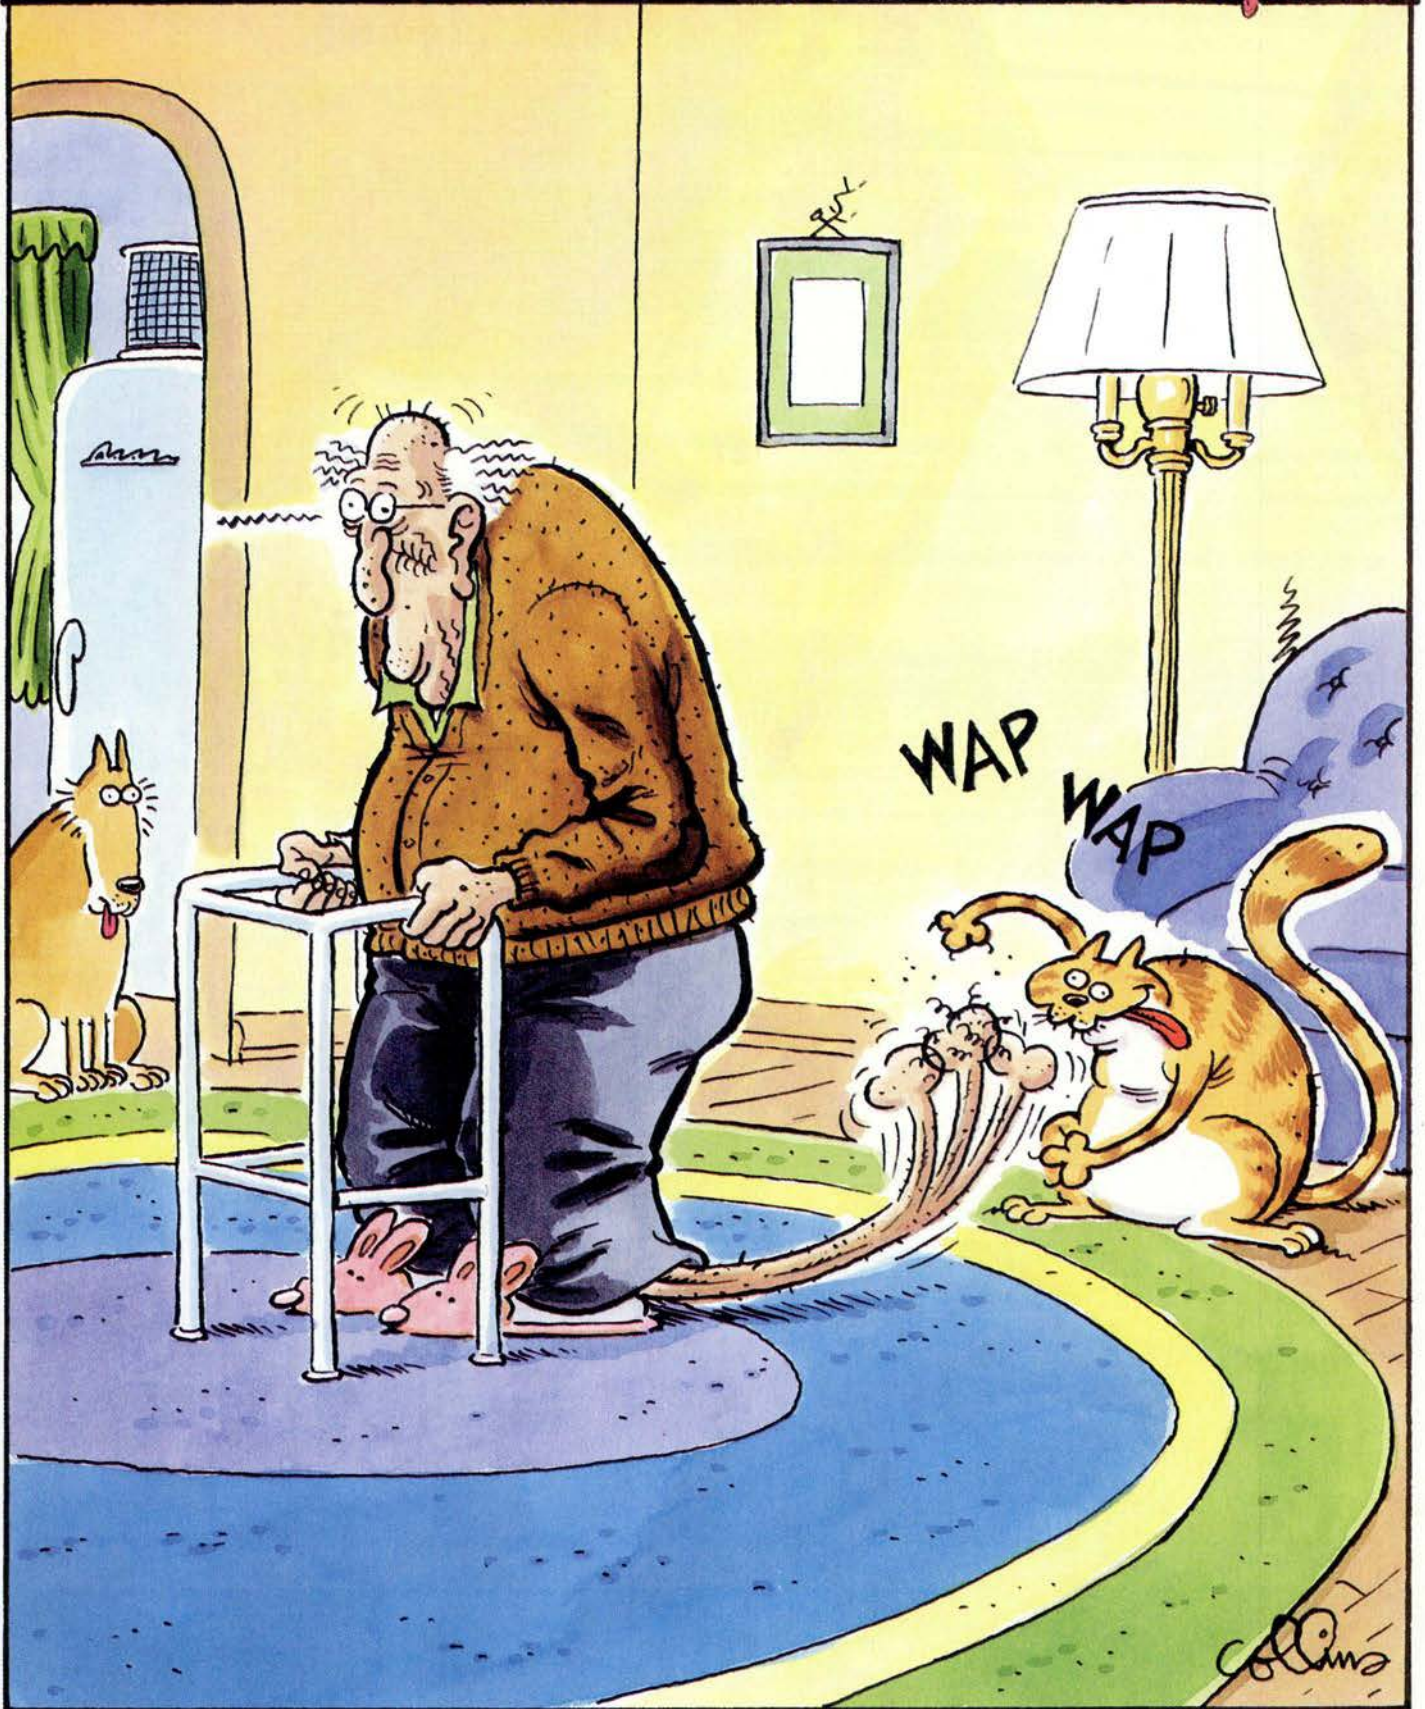

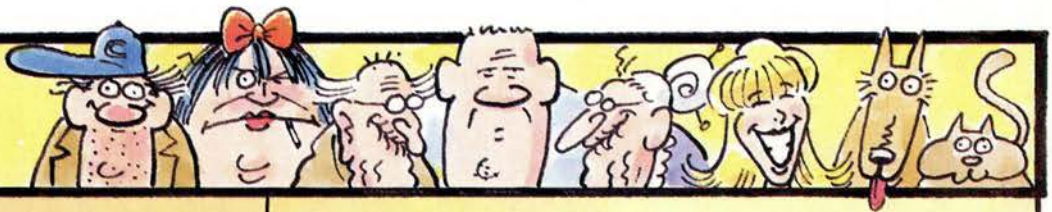

Stunned, the doctor cried, "Oh, my God, that must have been terrible! What could possibly have hurt worse than that?"

The guy answered, "I ran out of chain on that bear trap."

Investigators unearthed the decomposed body of a pregnant woman in her early 30s. Lividity had turned her into a mass of abstract tissue.

The two-hour commute into the city wouldn't bother you. You like the smell of fresh-mown hay. You've always wanted to stretch out in your yard buck-naked on a warm, moonlit night without being ogled by a bunch of strangers from their pent-houses in the sky.

Who wouldn't? Compared to the costs, noise and crime of urban living, the country rises like an angel in the dreams of a city dweller. *One day, he prays, I'll make enough dough to move out beyond the suburbs. Find a restful spot, a blissed-out zone of bucolic peacefulness. What paradise it will be to get away from it all.*

Only in the movies, neighbor.

Far from the beaten trail, the town of Villanow, Georgia, is so small that it can't be found on many road maps, but it's there all the same, hidden in the north Georgia mountains.

Birds were chirping and the golden rays of morning were just breaking over the meadow as young Villanow housewife Nikia Gilbreath kissed her man goodbye before he headed off for work.

She was pregnant with their second child.

It was immediately apparent that all was not as it should be when Nikia's husband returned home that evening. All that greeted him at the door were the screams of his baby, who evidently had not been fed or changed all day. His spouse, Nikia Gilbreath, had vanished.

As darkness gathered, the whole neighborhood turned out to search for her, but the search was fruitless.

Several days later, a man looking for aluminum cans in an illegal dump in the woods saw something resembling a discarded department-store mannequin. Nikia Gilbreath had been found.

When investigators arrived on the scene, they unearthed the badly decomposed body of a pregnant woman in her early 30s. Lividity had turned her face into a mass of abstract tissue, hardly recognizable as human. Cause of death: suffocation.

Villanow resident Jamie Ray Ward, age 34, was arrested. A search of his home revealed hundreds of items of women's lingerie, each item neatly described and recorded on an index card and cross-refer-

enced according to its history. Officials discovered notes detailing the day-by-day activities of the Gilbreath victim.

According to FBI specialists, Ward kept the lingerie as trophies of his conquests. With such handy props, he was not only able to fantasize the horrible rape and murder of Nikia Gilbreath whenever he wished, but could feel what she had been wearing and smell her odors on her garment.

Ward's defense was that he had black-outs. "I could have done it. I could not have done it," he told rural Georgia police.

Later he told an investigator, "I've been a liar all my life. If I done it, I'm sorry."

Kelly Gutierrez had seen both parents go to jail. She and her two siblings had been taken into state custody and passed from foster home to foster home.

Finally things were beginning to work out for her. She'd been placed in a foster home in the beautiful farm community of Central Islip, Long Island. In the relaxed, countryside home, Kelly was treated like one of the family.

On her 16th birthday she wrote in her diary: "This was the happiest day of my life!" Her newfound happiness ended some time before her nude, mutilated body was found not far from her home in the woods adjoining the country walk called Joshua's Path.

It was evident by the crime scene that Kelly hadn't given up easily. As the D.A. would later state, "She was definitely fighting for her life."

Clothing was strewn all over the ground, and the leafy debris on the forest floor was spotted with coagulated blood.

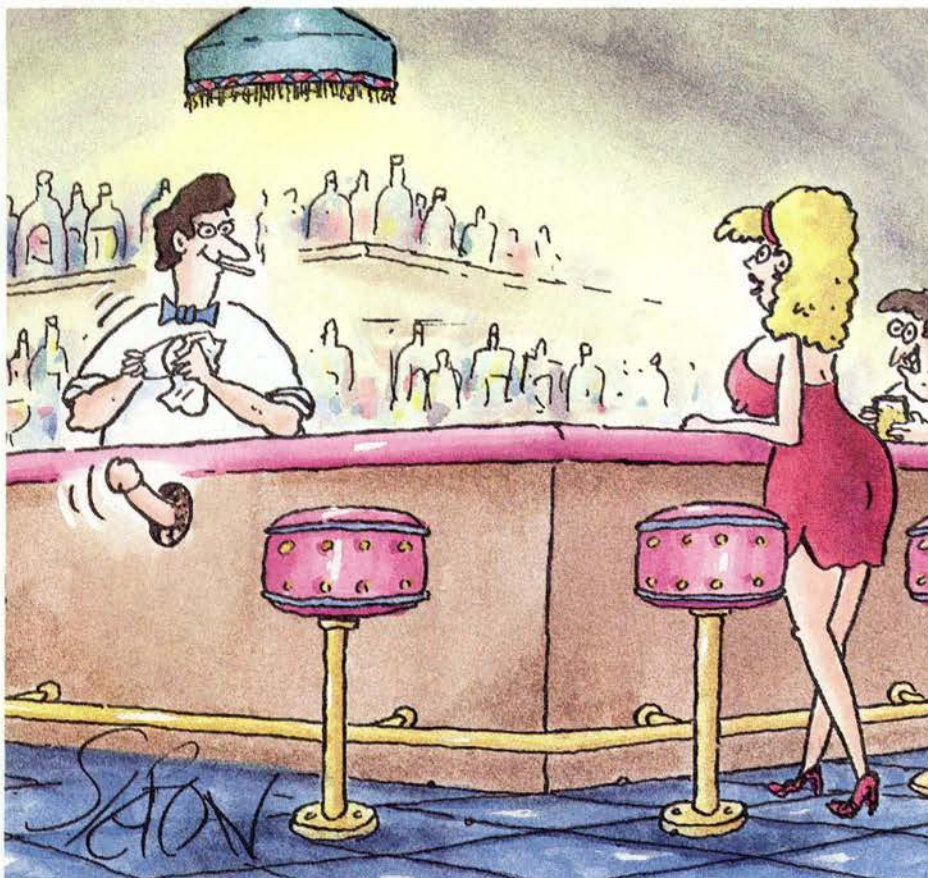

Kelly had not been raped, although it was clear that this was the intention of her attacker. She fought back, and it probably cost Kelly her life.

The killer's savage blade had penetrated the young woman's breasts until they resembled hamburger. Ribs had been cracked; organs had been violated. The attack was so furious that the handle broke off of the alleged murder weapon. It was found on the ground near the body.

Prior to the attack, Kelly was visiting a girlfriend who lived close by. They'd been listening to records all evening and had lost track of time.

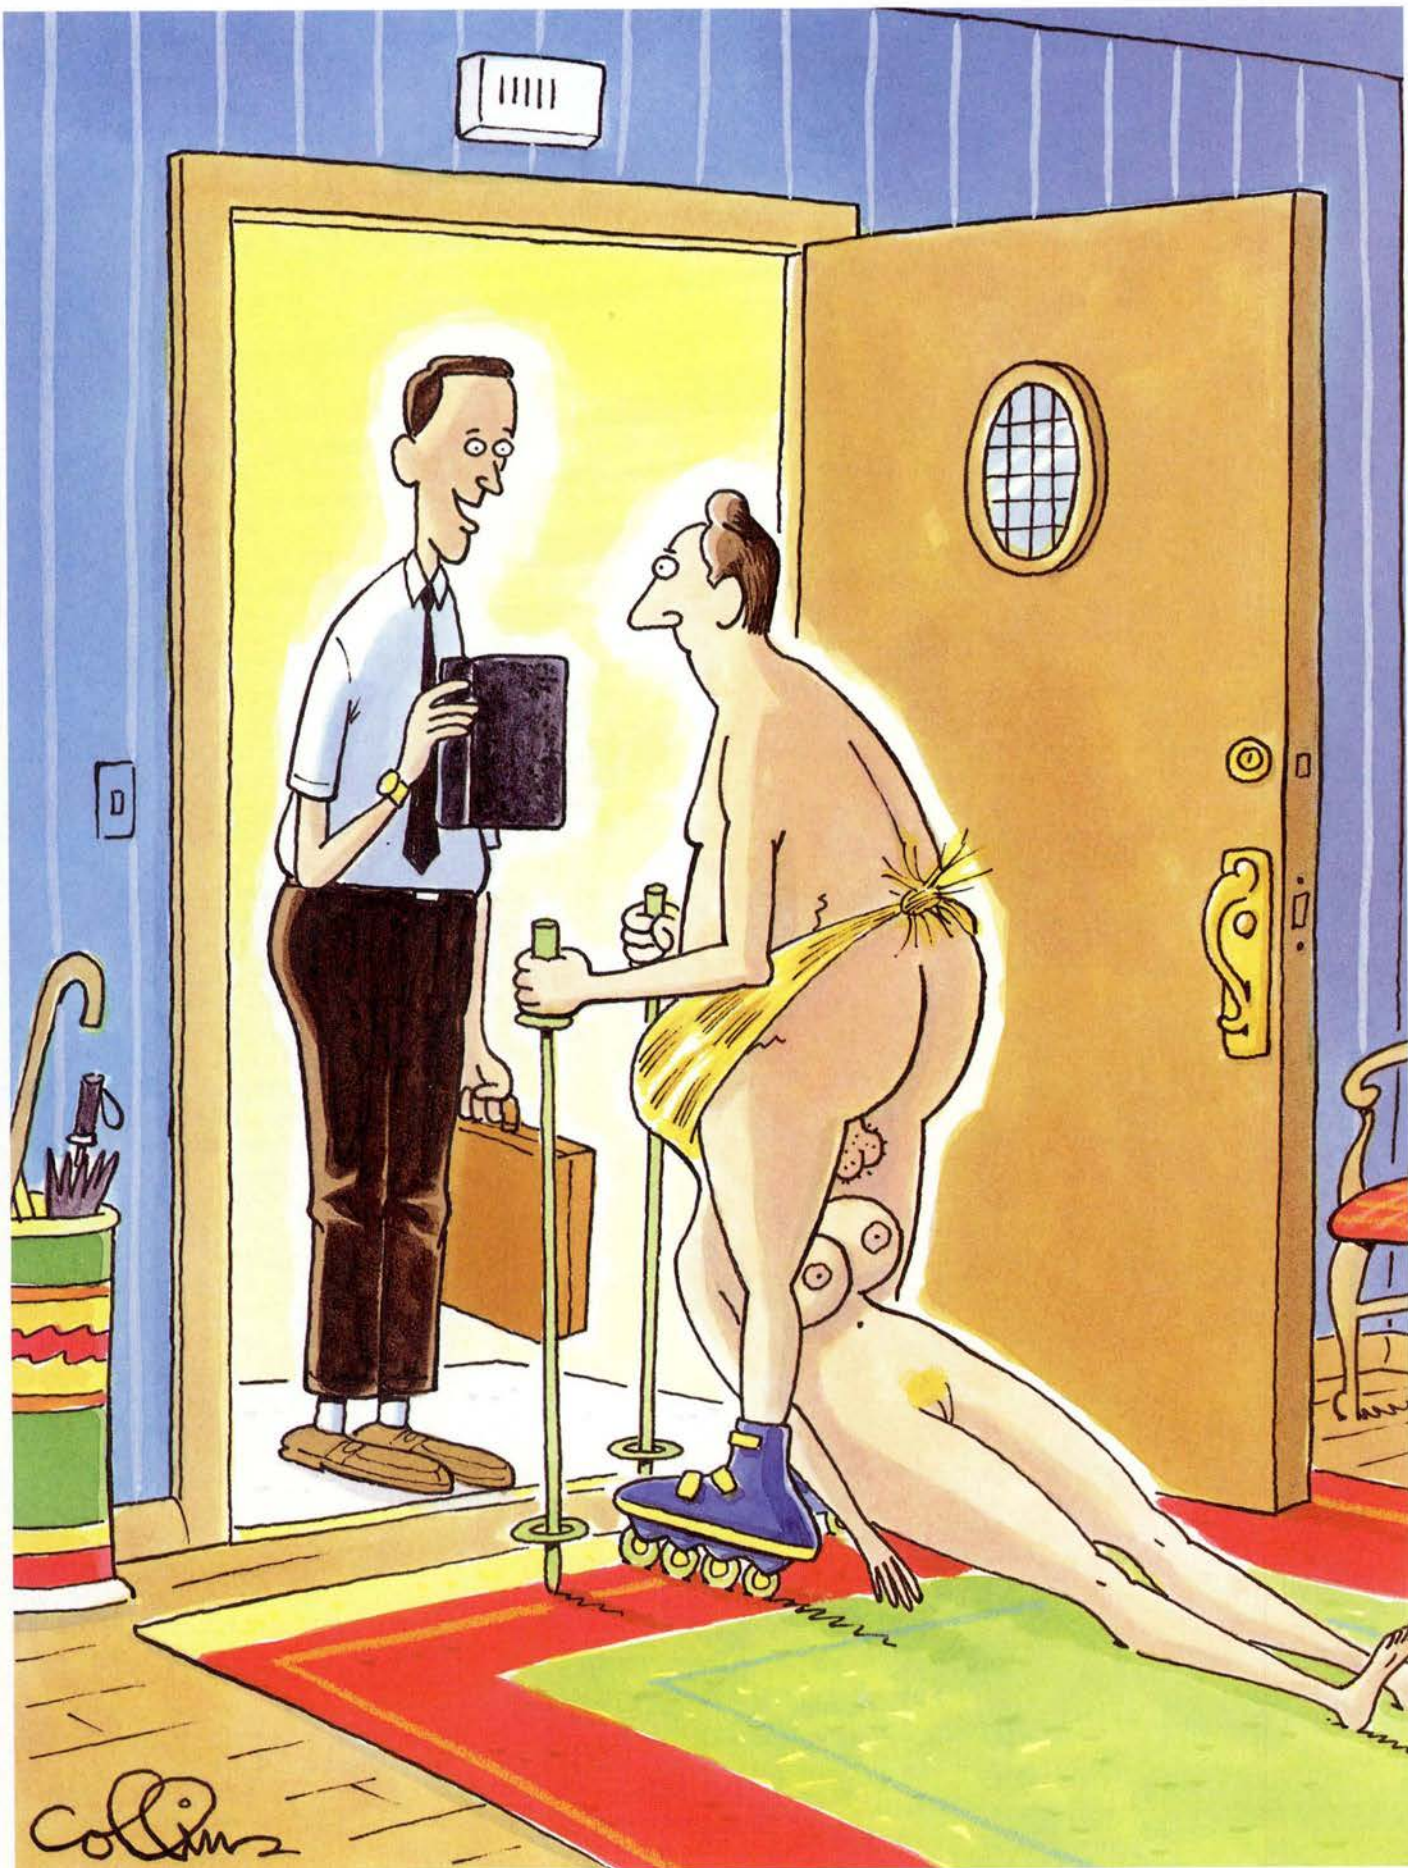

It was already the wee hours of the morning when Kelly realized she had better head home. She normally would have called her foster parents for a ride, but her friend's mother had locked up the telephone so the chatty girls couldn't raise the monthly bill. Besides, she reasoned to her anxious girlfriend, she'd walked Joshua Path a thousand times before—in the daytime.

Kelly's girlfriend waved goodbye, calling out promises to meet the next afternoon as Kelly walked off toward the darkness. Un-

"What's a gal gotta do to get a drink around here?"

*"Good day, sir. Have you read the Book of Mormon?"*

Near his corpse was a notepad on which Shaw had outlined a process of sexual torture and murder he had planned for his intended victims.

fortunately, she wasn't the only person watching Kelly disappear into the shadows that fateful night. Roberto Rivera—who rented the basement apartment of Kelly's friend's house—was drawn to the window by the girls' lively banter.

Police allege that Rivera took a shortcut through the woods and accosted Kelly just before she would have reached home and safety.

Rivera apparently tried to persuade her to accompany him into the woods, and when that failed, he forced her at knifepoint to do his bidding. When she fought his advances, it was Rivera's blade that answered.

It's not uncommon in rural areas for a single deputy to be responsible for patrolling 100 square miles.

Such isolated countryside is a giant smorgasbord of criminal opportunities. Rapists, robbers and murderers would be hard-pressed to find an environment better designed for their purposes. In the boondocks, crime scenes may not be found for months, if at all.

Says a burglar convicted of scores of rural crimes, "I never got caught until I moved to the city. Out in the country it was

easy pickin's. Usually, when I wanted to rob a house, I just walked in the front door. People left money lying around everywhere. And if I needed a car, the keys were usually over the sun visor or under the floor mat."

Thousands of names decorate missing-persons lists across rural America. Many a bleached human bone lies undetected in the countless woody groves, lakesides, deserts and mountain passes that dot the country wilderness.

It ain't all the work of strangers either.

In the quiet farming community of North Adams, Michigan, two small boys barely escaped a horrible death at the hands of a neighbor who had over the years befriended many of the kids in the neighborhood, helping them build go-carts and letting them sleep over at his house.

North Adams was a trusting community. Locals had never developed the habit of locking their doors until the night that two screaming boys reported having been awakened, tied up and taken into a garage by their friend, 56-year-old Edwin Shaw.

Fortunately, Shaw was not very good at tying knots. The older of the two was able

to wiggle his way free while Shaw was preoccupied with bringing the younger boy to the garage. He, in turn, escaped by persuading Shaw that he could assist in the search for the other boy.

By the time investigating officers arrived at the scene, it was too late to make an arrest. Shaw had turned a rifle on himself. Near his brain-spattered corpse was found a notepad on which Shaw had written the names of the two boys and outlined a 29-step process of sexual torture, mutilation and, finally, murder that he had apparently planned to carry out on his intended victims.

"The sad thing," according to a North Adams resident, "is we thought it couldn't happen here."

Most every small town, village or wide spot in the road has a gory tale to tell.

In the river near Davenport, Iowa, fishermen discovered a torso in the water. All that was left of the corpse was a silt-covered chunk of meat, cut off just above the navel and several inches below her female organs. There were no fingers to print, no teeth to compare to dental records. The victim was identified partially as a result of a friend's description of her pubic hair. How did she meet her end? Dismemberment by chainsaw.

In Tempe, Arizona, a young girl had the misfortune of leaving her keys in the ignition when she locked her car. For this simple error, she paid with her life. The samaritans who helped her retrieve her keys also helped themselves to her body before pummeling her with stones, crushing her skull in the process. The medical examiner stated that, although her body was severely damaged by the stoning, it is possible that the girl was buried alive.

And in Scappoose, Oregon, a three-year-old girl was stomped to death, allegedly because she caught her teenage murderer masturbating. He put on a show for her to watch, then killed her because he was afraid she would tell on him.

These hideous acts of malefaction share a barbaric crudity. But don't think that the annals of country crimes lack blood-chilling instances of metropolitan sophistication.

In the small village of Channelview, Texas, authorities charged Wanda Holloway, a 36-year-old mother of two, with attempting to hire a hitman to murder Verna Heath, a former friend and the mother of her daughter's chief competitor for the single opening on the high-school pom-pom squad.

Trouble began in the sixth grade when Verna's daughter Amber beat out Wanda's daughter Shanna for a junior-high cheer-leading spot. As time went on, Amber began to win more praise than Shanna and

seemed to be a shoo-in for the high-school cheerleading spot.

According to police reports, Wanda Holloway's first idea was to hire a hitman to knock off both Amber and her mother. She asked a friend to help locate a professional killer, but after their cosy, coffee-table chat, the friend informed the police.

Wearing a wire, he returned to Wanda and told her he had found a hitman, and it would cost \$5,000 to knock off Amber and \$2,500 for her mother.

Wanda allegedly decided that Amber was too expensive. She is accused of attempting to contract the murder of Verna because, she reasoned, Amber wouldn't be able to do her best in the competition if her mother had just been murdered, and Shanna would win the position with the high-school squad.

Fortunately for Verna Heath, the plan was never carried out. Wanda was arrested, convicted to a 15-year jail term and fined \$10,000.

What do you do if you enjoy the solitude of a small, quiet town, and someone moves in next door who plays the stereo

too loud and roars up and down the road at all hours on a motorcycle?

If you happen to be a genius chemistry buff, you might poison the neighbor's Coca-Cola and watch him die slowly.

That's what George Trepal did.

Says John Aguero, prosecutor of the case, "Here's a man who thought he was so smart, he could literally get away with murder."

Trepal, 42-year-old computer programmer and member of MENSA—the club for persons with genius-level IQs—has been convicted of spiking 16-ounce bottles of Coca-Cola Classic with thallium nitrate, then sneaking into his neighbor's house and planting them in the refrigerator.

Soon, neighbor Peggy Carr was complaining of flu-like symptoms. She tried to take care of herself, but she eventually became so ill, she had to be literally carried to the local emergency room. She died soon thereafter.

Trepal became a suspect in the case when the fact came to light that he had written scenarios for murder that were very similar to the circumstances surrounding Peggy Carr's fatal illness. Trepal once wrote: "When a death threat appears

at the doorstep, prudent people throw out all their food and watch what they eat."

Shortly before the poisoning, the Carr family had received a letter that advised them to move out of the neighborhood or die. They thought it was a joke.

Trepal had a library of books and pamphlets concerning the poisoning of human beings. He was convicted of first-degree murder.

The media described the case of the cold-blooded, countryside crime perpetrated against Betty Jeanne Solomon as *Fatal Attraction*.

Paul Solomon met Carolyn Warmus at the elementary school where they both worked, and they quickly became friends. According to testimony, as time went on the friendship turned into romance.

Paul Solomon knew that it was going to be difficult to carry on the affair during the summertime break from classes; so he told Warmus that they'd better end it.

But school had barely started again in the fall when mutual chemistry got the best of them. Once again they found themselves tempting fate.

By this time, Paul later testified, he and his wife had talked about a divorce, but had attended counseling and were trying to put the pieces of the marriage back together. He was experiencing mixed emotions and wasn't sure he wanted to continue the affair.

Despite his misgivings, he and Carolyn met in the evening at a bar where they had a drink, then went to her car and had sex.

During the time they lay together in their bed of adultery, Paul Solomon's legal wife lay at home on the living-room floor, dying from the nine shots that had been fired into her by an automatic pistol with a silencer.

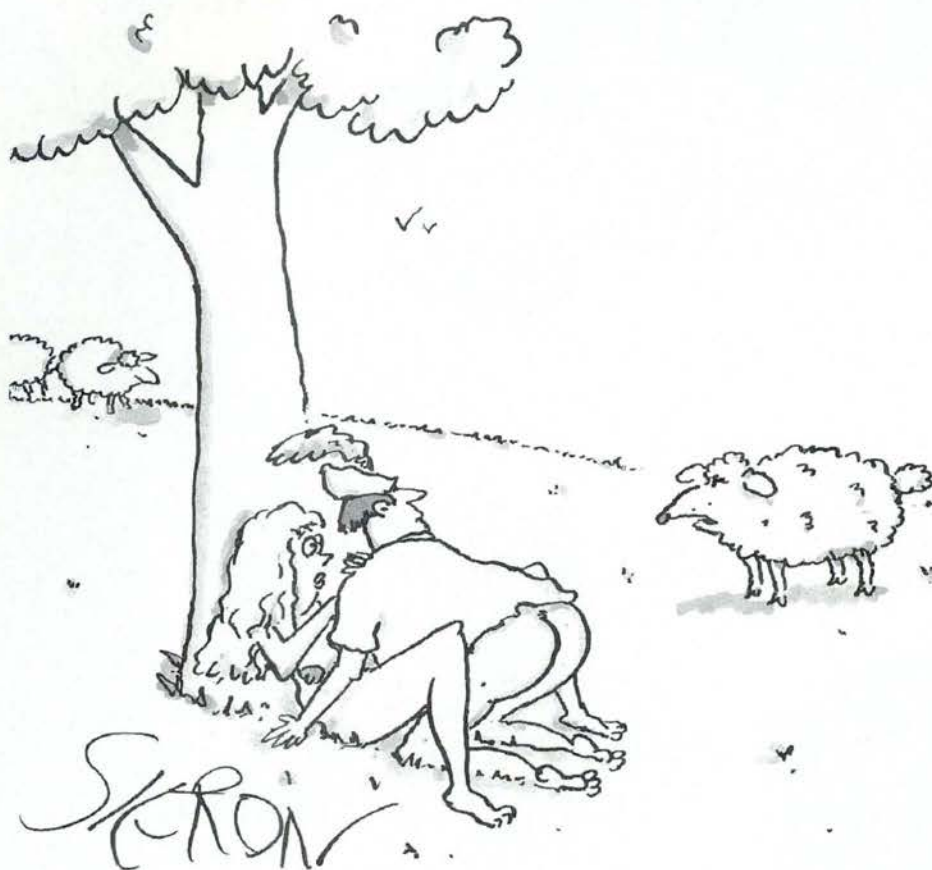

It is alleged that Carolyn Warmus shot Mrs. Solomon, left her to die, then joined Paul Solomon for a cold-blooded happy hour.

Detectives first suspected Solomon of the murder. What tipped them toward prosecuting Carolyn Warmus was the dogged way she pursued Solomon after his wife's death. She had been forbidden to call him, but she bombarded him with notes and letters. He says she wanted him and would do whatever it took to get him, even murder. Her lawyers say she was framed. Neither scenario matters to Betty Jeanne Solomon.

Rural resident, be warned: If the houses on your route haven't been broken into, and there hasn't been at least one violent crime committed against someone you know in the past year, lawmakers say you are statistically overdue.

On the other hand, take heart: Although statistics are rising, the country is still a safer place to live and work than the city. And if murder and mayhem are what you're looking for, you don't have to look any farther than your own backyard. ☹

Wrapped in leather, gorgeous Kelly works as a dancer and flight attendant in Houston, Texas. This 25-year-old likes to snow-ski when her feet are on the ground and dreams of being with two men at once. What she does with them is left to our imagination.

Photo by Friend

Daytona Beach, Florida, is home to high-heeled honey Lauri-Lee. A student and nurse by trade, this 26-year-old likes dancing and fucking. Her finger-licking-good fantasy includes sucking off her boyfriend while getting eaten out by a beautiful, blond babe.

Photo by Boyfriend

Saucy Dana is a 24-year-old executive secretary in Brooklyn, New York. Softball and bowling are two of her favorite pastimes, and her sexual fantasy involves fucking Billy Idol and Tom Araya of Slayer all day. Can't wait to hear that live album.

While currently unemployed, 25-year-old Rae spends her time watching movies, reading and listening to rock 'n' roll in Charlestown, West Virginia. Her sexual stairway to heaven would be fulfilled with an extended pictorial in *HUSTLER*. Get those Bic lighters in the air, guys.

Photo by Lover

Midnite is the moniker of this brooding, 21-year-old dancer from Fairland, Indiana. Her noble hobbies include sex, sex and more sex. She fantasizes about being fucked up the ass by Axl Rose while blowing Alice Cooper. Welcome to the bung-hole.

Photo by Friend

Photo by Husband

Although she lists her occupation as housewife, 30-year-old Bridget looks more like a contortionist. Sewing, dancing and impersonating a pretzel are a few of the hobbies she enjoys in Port Charlotte, Florida. She longs to find a nice, close friend to include in her and her husband's sexual fantasies.

Photo by Husband

Hosing her hot bod is Priestess, a 37-year-old physical therapist in Houston, Texas. Aerobics, skydiving and farming are a few of this wild woman's hobbies, while she dreams of appearing in *HUSTLER* and meeting Larry Flynt in person. Lofty goals indeed.

Photo by Fiance

Looking in need of a cowpoke, saucy Sue from Baraboo, Wisconsin, enjoys painting and riding motorcycles. This 21-year-old lists no occupation, and says of her sexual fantasy, "Anytime, anywhere." Ride 'em, cowgirl.

Photo by Husband

Showing good taste in bedtime reading material, 31-year-old Stephanie fantasizes about having a sexual foursome. A technician in Santa Clara, California, her hobbies involve nude sunbathing, camping and guy/girl watching.

# You Can ENLARGE, THICKEN & HARDEN YOUR PENIS TO IT'S MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

Let Scott Taylor "King of Penis Enlargement" show you how!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count, but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of Super Porn Stars, Scott Taylor, Jeff Stryker and the hundreds of thousands of men who have proven that there is a way to INCREASE PENIS SIZE and THICKNESS! The device is called the SUPRA-12 VACUUM ENLARGER. A safe and proven natural way to add inches to penis length and thickness. With the SUPRA-12, you will see yourself grow to dimensions you never thought possible.

## HOW CAN THE SUPRA-12 VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD and you have a correspondingly longer, thicker penis. You'll see the astonishing results the first time you use your SUPRA-12. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really BIG...how really FAT...how LONG...how HARD and STIFF your own penis can get! And after regular sessions with the SUPRA-12 you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

## SUPRA-12, THE "ROLLS ROYCE" OF VACUUM ENLARGERS.

These sophisticated instruments are by far the state of the art in penis enhancing machinery. The HEAVY DUTY MANUAL model is a finely crafted precision instrument designed to create the vacuum needed to make the male organ LONG and THICKER. And for the connoisseur, the powerful ULTRA DELUXE ELECTRIC model (U.L. approved) is equipped to give you continuous even sucking power until you shut it off! The ULTRA DELUXE ELECTRIC is perfectly safe and as quiet as a whisper.

Accept no substitutes if you are truly serious about penis enlargement — join the more than half a million men who have proved that the SUPRA-12 will do the job for you!

# "A JOURNEY INTO THE BIZARRE"

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen - we guarantee it! PAUL NORMAN, "The Master of the Unusual" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed - XXX hardcore that appeals to every taste - every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW - by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

with PAUL NORMAN . . . the master of the unusual!

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) - The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" - A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) - A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) - Perhaps Paul Norman's most incredible discovery of all - gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish - to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" - Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) - A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) - The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) - The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) - "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" - Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here - hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

# Jeff Stryker's **How to Enlarge Your PENIS**

Jeff Stryker, America's No. 1 adult video star, shows you in his brand new video and magazine how he pumps up to a bigger, harder and thicker penis. Watch Jeff as he demonstrates step by step his penis power building techniques and tells you everything you need to know to increase your penis length and diameter.

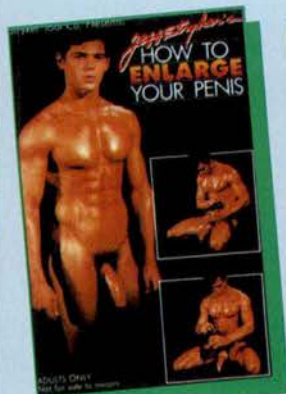

**Here is why Jeff Stryker's penis enlargement method can work for you.**

Your erection and increase in penis size is caused by the flow of blood through the many blood vessels of the caverns, a spongy substance of the penis. The penis pump allows the caverns of your penis to expand, permitting blood to fill the caverns which causes the penis to grow and become erect.

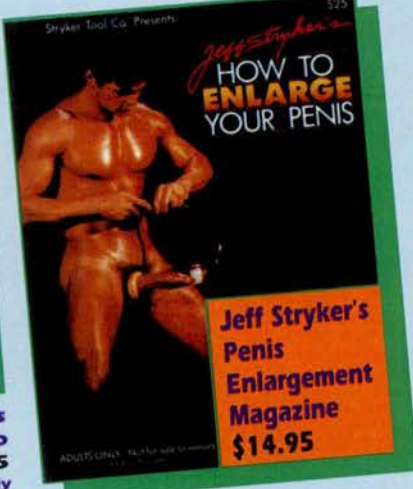

**Enlarge your PENIS to its Maximum Potential!**

You do this by inserting the penis into the pump's clear cylinder (you actually watch your penis grow). **Erect measurements up to 12 inches!**

**Your penis grows larger and firmer more than you ever dreamed possible!**

HUSTLER

July HUSTLER on sale May 12, 1992

## GASH BASH

It's rockets on the cheesecake when HUSTLER celebrates its 18th anniversary in July. A brunet wildcat prowls for clit-kill in a tit-popping, blood-red brassiere; a powder-soft, boudoir blonde slips out of silk panties and into spread sheets; a pussy-pumping muscle dude entices a skinny-dipping, torpedo-titted, poolside wench to bend over backward; a 19-year-old, golden-maned, Virginia cowgirl ponies up her virgin underside in close range; and a toilet-tissue tease turns into a labe-lickin' glam-slam for two lingerie-clad, lavatory lasses. Join the flesh festivities for HUSTLER's hard-and-happy 18th. This much fun is legal?

## ULTRA FEMMES

Picture a lesbian. See a stocky, masculine, butch-cut ballbreaker? Get real. Diesel dykes are an endangered species in today's sophisticated enclaves of radical carpet-munchers, where lipstick, high heels and male lovers are the rage. *The New Lesbian*, undercover reporter David Feller's off-hands account, describes the wants and haunts of the bitchin'est alternative sexualists in lesboland.

## DOCTOR DEATH

The inviolable bonds of trust between patients and doctors in America are becoming more suspect than sacrosanct, and for good reason. Criminal abuse in the medical profession is thriving. In 1990 an estimated 234,000 hospital patients were injured and 80,000 died as a result of incompetent physicians and negligent medical treatment. Writer Larry Wichman details the widening gap between the moral tenets of the physicians' Hippocratic oath and the hypocrisy of medical ethics in *Dr. Welby and Mr. Hyde*, a blistering account of the ugliest angle of a critical juncture in health care.

## EIGHTEEN AND OVER

Famous deadsters channel birthday wishes (and curses) from the grave in man-of-both-worlds Alex Marvel's "Happy Birthday, HUSTLER—From Heaven and Hell," HUSTLER's *Sex Play* for July; *Hot Letters* spills the latest loads in unzip codes; *Beaver Hunt* pops the girls next door out of the nabe and into the labe; and *Bits & Pieces* goes backstage at the mother of all HUSTLER birthday parties, determined to prove that just because HUSTLER's adult now doesn't mean we'll act like one. HUSTLER in July is hard to beat. Come early.
